Re: Open Public Records Act Request

Dear Betsy Cross:

The District is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

- 1) A copy of their statement of origin paperwork for each trailer you have at the middle school and any other location if any in the district. This shows the maker of the trailers and any prior owners if you did not receive them new.
- 2) May I also have a copy of any tags in the trailers that show their ID numbers. They are sometime on the electrical panel.
- 3) A copy of the entire bid from Mobilease for your trailer rental for the Middle School.

Requests 1 & 2: Your request is denied. The District has no records responsive to this request. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (Finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep't of Education*, GRC Complaint No. 2005-49 (July 2005) ("The Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access").

Request 3: Your request is granted. Attached hereto please find responsive documents.

Sincerely,

Lisa Goldstein
OPRA Secretary/Custodian of Records
