RE: OPRA Request #300-2022

Emails, voicemails, and correspondence regarding trash not being picked up on scheduled trash day 01/2022- to present

Dear Ms. Duignan,

As the Records Custodian, I received your OPRA request on December 16, 2022. As such, the seven (7) business day deadline to respond to your request is December 28, 2022. This response to your request is being provided to you on the first (1st) business day after the Township's Records Custodian's receipt of said request.

Your OPRA request sought access to the following:

Emails, voicemails, and correspondence regarding trash not being picked up on scheduled trash day 01/2022- to present

OPRA allows custodians to seek extensions of time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Your request requires an extension of time until Friday, January 13, 2023, representing an eleven (11) business day extension from the original response deadline of December 28, 2022. Extension required due to necessary staff, where we would get this requested information from, are out of office on vacation for the holiday.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Logan to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Linda L. Oswald, RMC, CMR
