A grievance, to be considered under this procedure, must be initiated in writing by the employee or the Association within thirty (30) calendar days from the time when the employee knew or should know of its occurrence.

B. Procedure:

1.
 - a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step.
 - b. It is understood that employees shall during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
3. Any employee who has a grievance shall discuss it with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

her dissatisfaction with the decision previously rendered. A hearing shall be held at this level before the Superintendent or his or her designee if requested by the grievant. This hearing will occur before a decision at this level is rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and the principal.

9.
 - a. The following procedure will be used to secure the services of an arbitrator:
 - (1) A request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as arbitrators in the dispute in question.

Accordingly, the Board and the Association agree that:
 1. The nature of American democracy requires that citizens be able to listen to all sides of a controversial issue, sort out the facts and arrive at independent conclusions.  2. The rights of students impose certain obligations upon the Board, the teachers, the administration, and the community.
 3. The Board will attempt through its policies to employ capable teachers, supply them with the necessary teaching materials and maintain an atmosphere of academic freedom in the schools.
 4. Teachers as individuals through their councils, committees, departments, and faculties, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board of Education.

 2. The materials in question are reviewed by a Materials Committee. This committee is to be made up of two (2) teachers, two (2) media specialists, (including the media specialist from the concerned school) and two (2) administrators (including the principal of the concerned school), appointed by the Superintendent.
 3. The committee reads (views or listens to) the material in question as well as reads the reviews of the materials wherever possible. General acceptance of the materials shall be reviewed by consulting authoritative lists, professional journals, and the holdings of similar schools. Passages (or section) of any material shall not be pulled out of context, but values and faults shall be weighed against each other and opinions based on the material as a whole. The decision at this point shall rest with the committee. It is the intent that the committee issues a report as soon as possible.
 4. The complainant is sent a copy of the report.
 5. If it becomes necessary for the Board to review the action of the Materials Committee, the final decision shall rest with the Board.
