RE: Open Public Records Act (OPRA) Request – received April 28, 2022 – 2022-00406

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

1. **I will be doing a site search, scan to determine if an underground oil tank is present at 1646 Perrineville Rd., Monroe Twp. BLOCK 48.40, LOT 7.1 Would the township have any permit information that an underground oil tank has been removed or abandoned?**

The Construction Department has provided a list of permit applications for 1646 Perrineville Road, Monroe Township which shows there is no permit on file for any oil tank.

If you have any further questions regarding this request, I can be reached at AGonzalez@monroetwp.com or 732-656-4573.

Sincerely,

Alicia Gonzalez
