ARTICLE 1
RECOGNITION AND PREAMBLE

A. The Township recognizes the American Federation of State, County and Municipal Employees, AFL-CIO, Neptune Township Local #1844 (from herein referred to as the Local) as the sole and exclusive representative for the purpose of establishing wages, hours and other conditions of employment for all its employees in the classifications listed under Appendix A, attached hereto and by reference made part of this agreement and for such additional classifications as the parties may later agree to include, excluding however, supervisors as defined by the Public Employment Relations Commission (PERC), confidential employees, casual employees and managerial employees.

B. The term "employee" shall be defined to include the plural as well as the singular. Any official of the Township or the Local identified in this agreement will be interpreted to include any properly authorized and properly identified designee of that official.

C. This agreement entered into by the Township of Neptune, hereafter referred to as the "Employer", and the Local has as its purpose the promotion of harmonious relations between the Employer and the Local; the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work and other conditions of employment.

D. A written list of Local officers and stewards shall be furnished to the Employer immediately after their designation and the Local shall notify the Employer of any changes of such Local officers or stewards.

Representatives of the Local who are not employees of the Township shall be permitted to visit with the employees during working hours upon proper notification to the Township Administrator. Such meeting shall not exceed thirty (30) minutes.

E. In accordance with PERC rules, the Employer agrees that proposed new terms and conditions of employment shall be negotiated with the Union before they are established.

ARTICLE 2

MANAGEMENT RIGHTS

A. The Township of Neptune hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this agreement by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. The executive management and administrative control of the Township Government and its properties and facilities and activities of its employees by utilizing personnel, methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township Committee.

2. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of the work required.

3. The right of management to make such reasonable rules and regulations as it may from time to time deemed best for the purposes of maintaining order, safety and/or effective operation of the Department.

4. To hire all employees, to promote, transfer, assign or retain employees in positions within the Township.

5. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good and just cause according to law.

6. To lay off employees in the event of lack of work or funds or under conditions where continuation of such work would be inefficient and non-productive.

7. The Township reserves the right with regard to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the several Departments included within this Agreement.

B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations, Code of Conduct and practices in the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under R.S.40 and 40A:1-1 et seq. or any other national, state, county, or local laws or regulations.

D. In the event that any provision of this contract conflicts with the terms of a Neptune Township ordinance or any other new rule or regulation of the Township, the provision of the negotiated Collective Bargaining Agreement will prevail.

In the event of multiple employees hired on the same date, seniority shall be determined based upon alphabetical order by last name then first name.

ARTICLE 3

MAINTENANCE OF WORK OPERATIONS

A. The Local hereby covenants and agrees that during the term of this Agreement, neither the Local nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employees' duties of employment), work stoppage, slow-down, walk-out or other illegal job against the Township. The Local agrees that such action would constitute a material breach of this Agreement.

C. The Local agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned or supporting any such activity by any other employee or group of employees of the Township, and that the Local will publicly disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Local order.

E. Nothing contained in this Agreement shall be construed to limit or restrict the Township or the Local their right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Local, its members, or the Township.

ARTICLE 4

DUES DEDUCTION

The amounts to be deducted shall be certified to the Employer by the Treasurer of the Local and the aggregate deductions of all employees shall be remitted to Council #73 AFSCME, together with a list of names of all employees for whom the deductions were made by the 10th day of the succeeding month after such deductions are made. This authorization shall remain in effect unless it is canceled in writing by the employee during the period of June 15th to June 25th (both dates inclusive) of any year. Such written notice shall be sent to the Chief Financial Officer of the Township and to the Union.

Any employee in the bargaining unit on the effective date of this agreement who does not join the Union within thirty (30) days thereafter, any new employee who does not join within thirty (30) days of initial employment within the unit and any employee previously employed within the unit who does not join within ten (10) days of reentry into employment within the unit may voluntarily opt to pay a representation fee to the Union by automatic payroll deduction as authorized by an executed "Voluntary Check-off and Continuation" form as provided by the Union. This voluntary consent shall continue year to year during the non-members employment in a bargaining unit position unless revoked by the employee by providing written notice to the Township during the ten (10) days following each anniversary date of the employee's employment pursuant to N.J.S.A. 52:14-15.9e. Furthermore, the Union's entitlement to the representation fee shall continue beyond the termination date of this agreement so long as the Union remains the majority representative of the employees in the unit, provided that no modification is made in this provision by a successor Agreement between the Union and the Employer. For the purposes of this provision, employees employed on a ten-month basis or who are reappointed from year to year shall be considered to be in continuous service.

The Union shall indemnify and hold the Employer harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of any action taken or not taken by the Employer in conformance with this provision. B. The Township and the Local agree that all employees covered under this Agreement have the right without fear of penalty or reprisal to form, join, and assist any employee organization, or to refrain from any such activity. There shall be no discrimination by the Township or the Local against any employee because of the employee's membership or non-membership or activity or non-activity in the Local.

ARTICLE 6

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of an employee having a grievance to discuss the matter informally with his or her immediate supervisor or foreman. The Local has the right to be present at each step of the grievance procedure, except Step 1 unless aggrieved requests such representation.

C. A grievance is defined as an appeal by an individual employee or the Local on behalf of an individual employee or group of employees or by the Township concerning the interpretation, application or alleged violation of the terms of this Agreement, Township policies, practices or administrative decision affecting terms and conditions of employment.

D. The time periods set forth in this procedure shall be deemed the maximum. However, the parties may mutually agree to extend any time limit set forth in the procedure. In the event that any Step of the grievance procedure is without authority to adjust or resolve the grievance, the aggrieved party may initiate the grievance at the First Step of the procedure that is authorized to adjust the matter. For the purpose of this article, "days" shall mean work days.

(1) Step 1: Within seven (7) workdays of knowledge of the facts giving rise to the grievance, the aggrieved party shall present grievance in written form to the Department Head in an effort to resolve the matter.

(2) Step 2: If the grievance is not resolved informally at Step 1, the aggrieved party shall, within seven (7) working days of the Step 1 denial, submit it in writing to the Department Head. The written grievance shall set forth the nature of the grievance, the relief sought and the disposition of Step 1. The Department Head shall render a written decision to the aggrieved party and Local within ten (10) calendar days setting forth his/her reasoning for the decision.

(3) Step 3: If the grievance is denied at Step 2, or no decision is rendered within time-period, the grievance may be processed to the Township Administrator within seven (7) work days. Within ten (10) days of receipt of the grievance the Township Administrator shall either issue a written decision or hold a meeting on the grievance. In the event the Township Administrator determines to hold a meeting on the grievance, a written decision shall be issued within ten (10) days of the end of the meeting.

(4) Step 4: If the grievance is denied by the Business Administrator, or no decision is rendered within the stated time-period, the Local may elect to pursue the grievance to binding arbitration pursuant to the rules and regulations of the New Jersey Public Employees Relations Commission. The request for submission of a panel of arbitrators shall be filed with the Public Employment Relations Commission within thirty (30) days of the expiration of Step 3 time lines.

E. Arbitration:

The arbitrator can add nothing to nor subtract anything from the agreement between the parties. The decision of the arbitrator shall be in written form setting forth findings of fact, reasons, and conclusions and shall be submitted to the employer and the Local. It shall be binding and final on the parties and the employee(s). All employees shall continue to observe all assignments and rules and regulations during the pendency of a grievance and until it is finally determined.

Arbitration depositions shall be held in person, rather than remotely, unless both the Township and the Local agree to hold an arbitration remotely utilizing videoconferencing technology.

ARTICLE 7

DISCIPLINARY ACTIONS

Before an employee is required to appear before the Business Administrator or his designated representative on any matter that could adversely affect his/her employment, the employee and Local shall be notified in writing of the purpose of the meeting and the employee's right to union representation. At least five (5) working days written notice shall be given to the employee and the Local prior to any such meeting before the Business Administrator or his designated representative (If both parties agree, the five day notice period may be waived). AFSCME may request an appeal to the governing body which may review the charges and information; however, a hearing before the governing body will not be provided unless specifically directed by the governing body.

Any discipline imposed shall be for just cause and shall bear a direct relation to the offense charged, bearing in mind the principles of progressive discipline. Notwithstanding principles of progressive discipline, the Township has the right to forego lesser forms of discipline and terminate an employee in the event that the employee's wrongful conduct is proven to be sufficiently severe or casts doubt on the employee's ability to continue to function in their position. Any and all disciplinary actions shall be subject to the grievance procedure of Article 6(A).

G. In the event of an emergency, as determined by the Township Administrator, the Township will have the option to close the municipal offices or direct employees in this bargaining unit to telework and/or close the municipal building to the public and direct essential employees to report

to work. Employees who are not deemed to be essential and who are unable to telework will be granted a day off with pay for up to a total of two (2) emergency days per year. Any days in excess of two (2) days per calendar year in which an emergency occurs, in which an employee is directed not to come to work or is unable to telework, the employee will be unpaid unless the employee chooses to utilize his/her accumulated time including personal time, vacation time or comp time. In the event of a declared emergency as described above, those employees who are deemed essential who are directed to report to work while others within their department are granted the right to telework or stay home, will be granted one (1) hour of compensatory time for every hour worked.

H. The following is a list of identified functional areas that are considered essential within this bargaining unit. Please note that this list is not intended to be all inclusive. Additionally, on a case by case basis, staff members may be designated as essential by management based on the nature of the emergency and/or availability of other personnel. If you have any question whether your position is deemed essential please contact your supervisor.

- All employees assigned to a public safety department (Police, OEM, EMS)
- All employees assigned to Administration or Finance Departments
- All employees assigned to Department of Public Works
- All employees assigned to support Emergency Operations Center
- Any other municipal government employee determined to be essential as a result of the scope of emergent situation

Until a decision is made by the Local Emergency Planning Committee (LEPC) about the nature and extent of the emergency, all of the above employees should be considered critical to the function of the Township. Thereafter, management will determine and communicate which functions are essential and if any Essential Personnel will be excused from reporting to work. Dismissal and/or cancellation of events do not necessarily mean that the Township is shut down completely as staff are needed to continue to work.

Essential Personnel are expected to come to work in emergency situations unless they are specifically excused by their departments. Failure to report to work as directed may result in disciplinary action up to and including termination.

Ultimately, the nature of the emergency will determine what services should continue and who is essential to the continued operations of the Township. The Local Emergency Planning Committee (LEPC) will provide up-to-date instructions and communicate the decisions of the Township Leadership through various communications including: Emergency Text Messages, email announcements, Reverse 9-1-1, direct phone calls and/or voice messaging on the Township's main telephone line.

ARTICLE 9

OVERTIME

A. Overtime shall be paid for all work performed in excess of the standard work day as defined in Article VII hereof at the rate of one and one-half (1-1/2) times the standard hourly rate. If an employee has an unexcused, unpaid absence during the normal work week then overtime will be paid for all work performed in excess of the number of hours in the standard work week as defined in Article VII hereof.

Overtime shall be computed and payment made on the following basis:

1. Up to the first sixteen (16) minutes - no pay.
2. Sixteen (16) through thirty (30) minutes - forty- five (45) minutes pay.
3. Thirty-one (31) through sixty (60) minutes - ninety minutes pay.
4. Thereafter, overtime shall be paid in thirty (30) minute segments for all time worked beyond the regular tour of duty. In lieu of cash payment an employee may opt to receive compensatory time off within the pay period in which it was earned in accordance with Article 9, Section D.

B. Overtime work shall be kept to a minimum and must be authorized in advance by the Department Head with consent of the Township Administrator. Employees will be paid overtime for work in excess of eight (8) hours for employees working a forty (40) hour week and for work in excess of seven (7) hours for employees working a thirty-five (35) hour week if authorized by the Department Head, even though not authorized by the Township Administrator.

C. In lieu of cash payment an employee may opt to receive compensatory time off in accordance with Section D of this Article.

D. Overtime shall be paid either by compensatory time off or by compensation at the option of the employee. Compensatory time shall be arranged to be taken within 90 days from date the overtime is earned or it will be paid as overtime. Compensatory time must be taken in increment of at least one hour. Whenever an employee chooses to receive compensation for overtime worked, such compensation is to be computed at the rate of one and one-half (1-1/2) times his/her standard hourly rate for each hour worked in excess of his/her normal hourly work week. Requests to utilize banked compensatory time must be made at least 24 hours in advance.

E. A seniority list, by department shall be created for overtime opportunities and overtime shall be distributed on a rotating basis to employees who normally perform said work within that specific department and pursuant to said list. In the event that there are not a sufficient number of employees who volunteer for overtime and the Township Administrator determines that there is still a need for additional personnel, no employee may refuse overtime without permission from the Township Administrator. In this circumstance, the employees with the least seniority shall be the first to be selected. The Township Administrator shall not unreasonably withhold such permission.

F. Any employee called back to work for emergency reasons for time which is not contiguous to the employee's regular work day will get a minimum of two (2) hours pay. If the time is prior to

and contiguous to the work day, the employee will receive pay for actual time worked until the commencement of the work day. This is not applicable for regularly scheduled sewer pumping station work or scheduled monitoring work.

G. Any employee who has worked a full work week and in addition, has worked at least four (4) consecutive hours on their sixth day of work within a workweek, will receive overtime at a rate of double time on the seventh consecutive day worked by the employee. Time earned pursuant to section H, above, shall not be the basis upon which four (4) hours worked is calculated. Instead, in clear terms, the employee must have worked four (4) hours on sixth day of work to qualify for this benefit. For those working a Monday to Friday workweek, the sixth day shall be Saturday and the seventh day shall be Sunday. For those working a rotating schedule, the sixth day shall be the day immediately succeeding their fifth day of regularly scheduled work and the seventh day shall be the day immediately succeeding the sixth day as described herein.

H. In the event that any employee is absent from work (that is, vacation, sick time, personal day, or comp time) or on modified duty, that individual will not be called for overtime. The exceptions when off duty employees may be called are when an emergency situation exists as deemed by the Administrator, Police, Emergency Management, or the Public Works Director. Emergency situations include, but are not limited to, the following: weather (i.e. – snow storms, hurricanes, heavy rain events) shortage of personnel responding for overtime and other similar circumstances. During emergency events as described herein, employees utilizing vacation time will be called in to work overtime.

I. In the event overtime is a continuation of the regular workday, said overtime will first be assigned to employees at work on the day of the assignment. In addition, if it can be reasonably assumed that the event causing the overtime assignment will extend beyond one full shift of overtime, the employees working that day will be the first employees offered the overtime assignment.

J. All essential personnel (as determined by their Department Head and the Township Administrator as described in Article 8, Section H) will be required to work overtime during an emergency situation as declared by the Emergency Management Coordinator, Mayor, or Township Administrator. Employees who fail to work overtime during these situations may face disciplinary charges for Neglect of Duty if, as determined by their Department Head and the Township Administrator, there is not sufficient cause for the failure to participate or if the failure to participate is not indicative of a pattern of failing to provide critical services when requested to do so. For purposes of this section, emergencies shall include any weather related event where the Department of Public Works is called upon to enhance public safety, including, but not limited to: snow plowing, sanding operations, drainage clearance, etc.

ARTICLE 10

G. An employee shall be entitled only to those holidays set forth in Section A above and to no others except by resolution of the Township Committee and such is the case whether a holiday is declared by the President of the United States and/or the Governor of the State of New Jersey.

H. It is clearly understood that part-time employees shall receive holiday pay on a pro-rated basis determined by dividing their regularly schedule hourly workweek with that of a full-time workweek. [Example, an employee who works 4 hours per day, 5 days a week (20 hours) in a 40 hour position, will be entitled to 50% of the holiday pay described herein]

I. All Township permanent employees except members of the Police Department, Communications Operators, Jailers, and Police Information Systems Managers shall have the holidays enumerated in this section off with regular pay. Communications Operators, Jailers, and Police Information Systems Managers are required to work a full work week as scheduled by their Supervisor, Department Head or by the Township Administrator and will receive compensation in lieu of time off as set forth below:
All Police Information Systems Managers, Jailers, and Communication Operators shall receive thirteen (13) paid holidays at the rate of time and one-half of the employees' regular daily rate of pay in lieu of time off. The total amount due in holiday pay shall be divided by the number of pay periods and the resulting amount added to each pay check.

J. AFSCME may submit a recommended day for use of the "floating holiday" in the subsequent year, by providing the recommendation to the Township Administrator by July 1 of the previous year. The Township Administrator will not unduly deny the recommended date.

ARTICLE 13

VACATION

Probationary or Permanent part-time employees (as described in Article 2) are eligible on a prorated basis.

B. Supervisors or Department Heads shall schedule the individual vacation days or weeks so that the functions of the Township can be carried on with a minimum of delay or public inconvenience. The employee with the longest continuous service with the Township shall have preference in the assignment of vacation days.

C. An employee with prior approval of his/her Supervisor or his/her Department Head may charge a single day or two against his/her vacation time, but not more than ten (10) vacation days annually shall be used in this manner for that purpose except in emergency conditions.

D. All vacation time shall be used between anniversary dates and shall not be accumulated without prior approval of the Township Administrator and further subject to any special provisions as established by the Township Committee. Carry-over of vacation days are limited to five (5) days which must be utilized within ninety (90) days of the end of the anniversary year. The Township Administrator retains the right to allow or disallow such carryover based upon specific circumstances, with approval limited to unforeseeable and/or emergent circumstances. Vacation time will not be carried forward for the sake of accumulating additional time to be paid upon retirement.

{00647602}

E. It is the policy of the Township that each employee take advantage of the authorized vacation period for reasons of health, rest, relaxation and pleasure and thus extra compensation in lieu of vacation shall not be allowed unless prior authorization shall be obtained from the Township Committee.

F. All employees shall submit requests for vacation at least one (1) month in advance to the Supervisor or Department Head, through the electronic system provided by the Township. Individual Department Heads retain the right to manage their departments as they see fit in regard to vacation time, as such, paper notification may be required in some departments. The Township reserves the right to waive the notice requirement at any time.

G. In those cases where an employee is not directly responsible to a Supervisor or Department Head, all requests for vacation shall be presented to the Township Administrator at least one (1) month in advance of the requested date.

H. When an employee requests permission to use an individual vacation day or part thereof, such requests shall be granted at the discretion of the Supervisor, Department Head or Business Administrator. When permission is sought to use an individual day, the one (1) month notice required under Section F above shall be waived provided that the permission can be granted without affecting the operation of the Department.

I. Emergency conditions to justify the granting of emergency vacation use will be considered separately on an individual basis, notwithstanding the time limitations otherwise set forth above.

J. No employee shall accumulate vacation benefits those months in which said employee is not performing his/her assigned work assignment.

K. Employees whose employment with the Township is terminated in good standing, shall be entitled to be paid for their accumulated vacation time.

ARTICLE 14

SICK LEAVE

A. Sick leave is hereby defined to mean absence of an employee from post or duty because of illness, accident, exposure to contagious disease, or attendance upon a member of the employee's immediate family seriously ill and requiring care of attendance of such employee.

B. In accordance with this Article, a member of the immediate family is interpreted as meaning the employee's spouse/civil union partner/domestic partner, and the employee's or his/her spouse's/civil union partner's/domestic partner's child, stepchild, mother, stepmother, father, stepfather, brother, stepbrother, sister, stepsister, grandparents, step grandparents, son-in-law, stepson-in-law, daughter-in-law, stepdaughter-in-law, grandchildren and step grandchildren. This section shall also apply to those family members who regularly reside in the employee's household.

C. Sick leave shall not be interpreted as including an extended period where the employee serves as a nurse or housekeeper during the protracted period of illness of a member of the family.

D. In all cases of reported illness or disability suffered by an employee or a member of an employee's immediate family, the Township reserves the right to request medical certification confirming the illness and/or disability and affirming the need for continued care.

E. Every absence on account of illness or disability of an employee or a member of the employee's immediate family for three (3) or more days must be certified by a written statement from the attending physician. The Township Administrator has the right to waive this requirement or to require the employee to be examined by a Township Medical Physician and certified as fit for duty, before returning to work. Nothing contained herein shall limit the right of the Township to require proof of illness of any employee on sick leave, whenever such requirement appears reasonable under the circumstances, including a pattern of absences and/or the use of a sick day immediately prior to or after a holiday. Abuse of sick leave shall be cause for disciplinary action.

F. During protracted periods of illness or disability of an employee or a member of the employee's immediate family, the Township Committee may require interim reports on the condition of the patient at weekly or bi-weekly periods, from the attending Physician and/or a Township Medical Physician. When under medical care, employees are expected to conform to the instructions of the attending physician if they wish to qualify for salary payment during such period of illness or disability.

G. The rules which follow apply to the payment of salaries during periods of illness or disability for permanent and probationary full-time employees. Probationary or Permanent part-time employees are eligible on a prorated basis.

{00647602}

(1) Permanent and Probationary Full-Time Employees. Permanent full-time employees will accumulate paid sick leave during a calendar year at the rate of one and one-quarter (1-1/4) working days per month except as described in section (2) below.

(2) Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed up to a total of three hundred (300) working days. Those with more than three hundred (300) days accumulated as of December 31, 2020 shall not suffer a loss of their accumulated days, but will not be permitted to carry forward additional time from year to year, unless their accumulated balance drops below three hundred (300) days. For employees hired after January 1, 2021, this sick leave accumulation shall be capped at one hundred eighty (180) days.

(3) Any employee who takes sick leave after he/she has already worked a portion of the work day, may use one-half (1/2) day of his/her leave benefits.

(4) No employee shall be allowed to work and endanger the health and well-being of other employees and if the employee's condition warrants, the employee may be directed to take sick leave. The Department Head or Supervisor may direct the employee to the Township Physician for an opinion whether there is justification for the employee to be absent from work.

H. Sick leave with pay shall not be allowed under the following conditions:

(1) When the employee, under medical care, fails to carry out the orders of the attending physician.

(2) When, in the opinion of the Township Medical Physician, the employee is ill or disabled because of self-imposed contributory causes.

(3) When, in the opinion of the Township Medical Physician, the disability or illness is not of sufficient severity to justify the employee's absence from duty.

(4) When an employee does not report to the Township Medical Physician.

I. The recommendation of the Township's Medical Physician as well as those of the attending physician as the justification for the absence from duty on account of disability or illness or the fitness of the employee to return to duty shall be considered by the Township Committee. The Township Committee reserves the right, in such cases where there is a difference of professional opinion between the Township Physician and the personal physician, to require the employee to submit to an examination by a third doctor.

{00647602}

J. In charging an employee with sick leave, the smallest unit to be considered is one-half (1/2) of a working day.

K. Sick leave shall not be allowed for such things as ordinary dental care, nor for any other professional services that may be normally scheduled within the employee's regular off time. The utilization of sick leave for elective medical procedures will not be considered without sufficient medical evidence to substantiate the necessity of scheduling the medical or dental services during the work day.

L. An employee who is certified as absent on account of a disability or accident arising out of or in the course of his/her employment with the Township of Neptune shall not have such absence charged against his/her sick leave. All other provisions regarding absence on account of sickness or disability shall apply.

M. Sick leave in excess of the time prescribed by this agreement may be granted at the discretion of the Township Committee when warranted by the employee's overall work record.

N. Pursuant to the Family and Medical Leave Act of 1993 (FMLA), which became effective 8/5/93, employees of the Township of Neptune who have worked for the Township for at least twelve (12) months and have worked at least 1,250 hours over the previous 12 months, are eligible for unpaid, job-protected leave of up to twelve (12) weeks each year for family and medical reasons. FMLA is considered to be a form of sick leave, regardless of the type of time utilized under this section. Employees utilizing FMLA shall not utilize such time for vacation or personal activities. An unpaid leave may be taken for the following purposes:

1. The birth of an employee's child and the care of the child. This provision is applicable to both mothers and fathers;
2. The placement of a child with the employee for adoption or foster care;
3. The care of the employee's spouse, child or parent, who has a serious health condition;
4. A serious health condition that renders the employee unable to perform their job.
5. Any other purpose specifically required by law.

Under the FMLA, a child includes biological, adopted, and foster child, step-child, legal ward or a 'child' of a person acting in the capacity of a parent. The term 'parent' includes biological parents, as well as a person that acted in the capacity of a parent towards the employee. Siblings and in-laws are not covered by the Act. A 'serious health condition' means a mental or physical illness, injury, or impairment which involves inpatient care at a medical care facility or continuing treatment by a health care provider. Additionally, an employee's 'serious health condition' means the employee is unable to perform the functions of their job.

It is not required that the leave be taken all at one time. Intermittent leave or reduced leave (less than the 12 weeks) can be taken if the employee or a covered relation has a serious health condition, provided intermittent or reduced leave is medically necessary. In addition, an employee with more than one qualifying event within a 12 month period is not entitled to a separate 12 week

{00647602}

period of leave for each event.

Procedure: The employee shall be required to submit to the Township Administrator a written notice that leave will be taken, indicating the amount of leave to be taken and the reason for the leave. If the leave involves an illness, a medical certification shall be submitted along with the leave notice. Said certification shall include:

1. The date on which the serious health condition commenced;
2. The probable duration of the condition;
3. The appropriate medical facts within the knowledge of the health care provider regarding the condition;
4. Where applicable, a statement that the employee is needed to care for a covered relation and the amount of time needed to care for said person.

Intermittent or reduced leave medical certifications shall state:

1. The dates on which treatment is expected to be given and the duration of such treatment;
2. A statement of the medical necessity for the intermittent or reduced leave schedule and the expected duration;
3. Where applicable, a statement that an intermittent or reduced leave schedule is necessary to care for a covered relation or will assist in the recovery and the expected duration and schedule of the leave.

The Township may require subsequent re-certification on a reasonable basis. Failure to provide any certification is grounds for denial of the leave. If the Township has doubt as to the validity of the certification provided, the Township may require, at its expense, that the employee obtain a second opinion from a health care provider selected by the Township. If the second opinion differs from the first, a third mutually agreeable health care provider shall be selected. The selection of the third physician is to be by mutual agreement or in the event of their failure to reach such agreement, such third physician shall be appointed by the Monmouth County Medical Society. The report of the third physician shall be dispositive of the matter.

If the leave is foreseeable, the employee shall be required to provide at least 30 days notice prior to the leave beginning, where practical.

The employee has the option of utilizing accrued sick and personal leave time for leaves under the FMLA.

O. Any employee on sick leave who has expended all his/her benefits and who cannot resume his/her normal duties as a result of said illness, upon the submission of medical evidence, may be continued without pay as an employee by resolution of the Township Committee and the Township shall pay for the entitled benefits. At the conclusion of three (3) months, if the employee is not able to resume his/her normal duties, he/she shall be terminated as an employee by resolution of the Township Committee. Any employee on unpaid sick leave not approved by resolution of the Township Committee will be subject to disciplinary action up to and including termination.

{00647602}

P. Terminal leave is prohibited. The use of six (6) or more sick days by an employee within twelve (12) months of their intended retirement date is prohibited unless a physician verifies in writing the necessity of that medical leave. The Township may require the employee to submit to an examination conducted by a physician selected by the Township to verify medical necessity. If medical necessity is not verified, the employee will immediately return to work and all subsequent absences in violation of the terminal leave policy will result in the loss of three (3) days of accumulated unused sick leave for each off.

ARTICLE 15
SICK LEAVE NOTIFICATION

If an employee is absent from work for reasons that entitle him/her to sick leave, the Department Head or Supervisor shall be notified as early as possible, but no later than 60 minutes prior to the start of the scheduled work shift from which he/she may be or expects to be absent. If the Supervisor is not available then the employee must contact the Police Department. Failure to so notify the Department Head and/or Police Department, absent extraordinary circumstances, may be cause for denial of the use of sick leave for the absence and constitute cause for disciplinary actions.

An employee who is absent and does not notify his/her Department Head or some other responsible individual of the Township will be subject to disciplinary action.

ARTICLE 16

JOB INCURRED INJURY

A. Whenever an employee is involved in an incident whereby the employee may be injured while working, whether slight or severe, the employee must immediately report the incident to their Department Head or Supervisor.

B. Any injury that must be reported to the New Jersey Public Employee's Retirement System shall be reported to that system by the employee through the Certifying Agent.

C. Whenever an employee sustains an injury while on duty, it shall be the obligation of the Department Head or Supervisor to make immediate arrangements for examination and medical treatment if necessary or when requested by said employee. In cases of emergency, medical treatment shall be arranged at the nearest hospital facility. Any other examination and/or medical treatment shall be administered by the Township Physician or any other doctor as may be designated by the Township Administrator. When an employee has been released to full duty, all rehabilitation and follow-up visits will be on the employee's time. In cases where the employee has been released to limited or light duty and the Township Administrator has assigned the employee to such a position or task, the employee will be released on Township time to attend rehabilitation sessions and/or follow-up visits with the doctor.

D. When an employee with a work-connected disability is out as a result of the injury for less than the seven (7) day period necessary to qualify for Workmen's Compensation benefits, the Township of Neptune shall pay the employee the rate the employee would receive under Workmen's Compensation for that seven (7) day period or the actual number of days the employee is absent.

E. The Township shall advance to the employee an amount equal to the Workman's Compensation check for any week he/she is absent until the employee begins to receive his/her normal Workmen's Compensation checks. When the employee receives his/her Workmen's Compensation checks the employee agrees to sign over to the Township those number of checks which the employee was advanced by the Township. Failure to sign over the appropriate number of checks to the Township shall subject the employee to immediate dismissal or other disciplinary action.

F. It shall be the obligation of the Department Head or Supervisor to keep records of and to report any loss of time due to work-connected injuries to the Township Administrator and Chief Financial Officer.

G. The ~~Department~~ Head or Supervisor shall make a separate and independent investigation of any and all injuries sustained by an employee under his/her supervision and make a written report thereof to the Township Administrator including any recommendations to avoid a recurrence of said injury.

H. Any employee who sustains a work-connected injury and is eligible for Workmen's Compensation benefits, shall be eligible to receive those benefits provided by said law and in addition shall receive from the Township the difference between his/her regular straight time pay and the benefits provided under the Workmen's Compensation up to a maximum of twenty-six (26) weeks.

(1) The Local and the Township shall consult with each other with respect to any individual cases of employees whose job incurred injury leave appears to be excessive or unwarranted.

(2) The Township may challenge the duration of any such leave whenever it deems it appropriate and may require an employee to, at the Township's expense, undergo a physical examination by a Township-appointed physician. If the physician's report indicates that the employee is fit to report for duty and the employee disagrees, he/she may undergo a physical examination at his/her own expense by his/her own physician. In the event of a disagreement between the reports of the two physicians, a third physician shall be agreed upon by the Township's Physician and the employee's physician or in the event of their failure to reach such agreement, such third physician shall be appointed by the Monmouth County Medical Society. The report of the third physician shall be dispositive of the matter.

Emergency Personal days granted without the requirement of a forty-eight (48) hour notice being met, will be limited to one (1) per year. A second Emergency Personal day may be granted at the discretion of the Business Administrator with the submission of appropriate proof by the employee.

E. Part-time employees are eligible for this benefit on a pro-rated basis, based upon their regular schedule as compared to a regular full time schedule (for example, an employee who works half of the number of hours that a full time employee typically works will be entitled to half of the number of personal days).

F. Such personal days shall not be accumulated from year to year, nor shall payment be made for unused personal days at the end of the year.

G. The Township Administrator may deny such request when in his/her sole judgment it will leave the remaining work force below a sufficient number to operate.
