For purposes of calculating hours worked in excess of forty (40) hours in one (1) week or eight (8) hours in one (1) day, compensation time shall not be counted toward hours worked for scheduled overtime. The overtime pay rate detailed in this section shall not apply to an employee assigned to a new work schedule as the calculation of a forty (40) hour work week will be disrupted during the week in which this transition occurs. An employee assigned a new work schedule, however, shall not be required to work more than one (1) additional work day during the week in which their schedules has been changed without compensation.

B. The employees and the Township may, but are not required to, agree that compensatory time may be taken in lieu of payment for overtime. Compensatory time off may be taken any time during the year, subject to the approval of the Department Head and shall be requested five (5) days in advance of the date desired and may be taken at.

A foreman or anyone who works in a supervisory position who calls for employee assignments shall be given one hour of overtime.

An employee utilizing sick time on the day shall be eligible to be given the opportunity to work the overtime assignment on the day immediately following the day in which sick time has been utilized. An employee out on sick leave shall not be entitled to recoup overtime slots missed while out of work. Any employee who is out of work on worker's compensation is not eligible to work overtime and shall not be entitled to recoup overtime slots missed while out of work for this reason.

Should that employee refuse the assignment, the employee shall forfeit his/her turn on the overtime roster. An employee is not eligible for overtime if the employee is on sick leave the day the overtime assignment is scheduled to occur.

Section 5

Emergency Overtime: Any employee who shall decline to accept an emergency overtime assignment shall not be entitled to any other overtime assignment until his/her turn is reached again. It is expressly understood that nothing herein is deemed recognition of any right by any employee to refuse an emergency overtime assignment.

The Township shall utilize the rotating seniority roster and call in the next employee in line. If the employee is unable to be reached, the next employee on the list will be called. The employee will not be charged a turn on the overtime roster provided that the employee returns the call within thirty (30) minutes of receiving the call. Any employees reporting to work when called, shall be charged a turn on the roster.

The parties agree that there will be a telephone list that will be updated on a yearly basis or updated when an employee changes his/her telephone number.

Employees called in on an emergent basis shall be guaranteed a minimum of two (2) hours paid at time and one half. For purposes of calculating overtime in emergency situations, paid time off for vacation, personal day, sick time and compensatory time, shall count toward hours worked.

White Collar Employees

Section 6

A. All work performed by White Collar employees in excess of thirty-five (35) hours in one (1) week, or seven (7) hours in one (1) day, shall be considered overtime and shall be compensated at the rate of one and one-half, except for the Police Communication Operators. Police Communication Operators shall receive overtime after forty (40) hours in one (1) week, or eight (8) hours in one (1) day.

An employee utilizing sick time on the day shall be eligible to be given the opportunity to work the overtime assignment on the day immediately following the day in which sick time has been utilized. For the purposes of determining eligibility a new day shall be considered 12:00 AM and not the start of the next work shift. Employees called in on a regular workday before or after their regularly scheduled workday shall receive a minimum of two (2) hours overtime.

Compensatory time off may be taken any time during the year, subject to the approval of the Department Head and shall be requested five (5) days in advance of the date desired.

Once compensatory time off has been approved, the Department Head or Supervisor may not cancel the approved time off without providing more than forty-eight (48) hours' notice to the employee. In the event that approved compensatory time is canceled on less than forty-eight (48) hours' notice, the employee shall have the option of rescheduling the time off or take the appropriate pay, which shall be pay for all hours worked and straight time for the unused compensatory time.

Usage of compensatory time in a Department/Office shall not set precedence or infringe or control compensatory time usage in any other Department/Office.

Employees are entitled to carry a maximum of one hundred (100) hours compensatory time. Any compensatory hours accrued in excess of 100 hours' compensatory time, shall be paid hours to the employee.

C. Emergency Compensation Time: An emergency is defined as a sudden, urgent, unexpected occurrence or occasion requiring immediate attention. Payments shall be made via payroll deduction.

B. The parties agree that employees shall contribute toward their healthcare coverage in accordance with New Jersey State law requirements (Ch. 78 P.L. 2011). The contribution is pre-tax dollars in accordance with a section 125 plan.

Enrollment in the dependent unit plan is optional to the employee. Supplementary dental service premium costs will be paid by the employee.

Section 3

The Employer reserves the right to change insurance carriers subject to Union review, for legally equivalent or better coverage. If the coverage is determined not to be legally equivalent or better, the parties agree to reopen this Contract and negotiate with respect to any aspect of coverage that is determined not to be legally equivalent or better. If the parties are in disagreement on the issue of legally equivalent or better coverage and cannot resolve that disagreement, it shall be subject to a special arbitration procedure as follows:

Should a dispute arise as to whether or not the change in insurance carriers and/or policies proposed will be legally equivalent or better coverage, the matter shall be submitted to binding arbitration in accordance with the arbitration procedures established under the grievance article of

this Agreement (Article XV). The decision of the arbitrator shall be in writing, shall be submitted within thirty (30) calendar days of the close of the record and shall be final and binding on all parties pursuant to law.

ARTICLE XI SICK LEAVE

Section 1

A. All permanent full time employees covered by this Agreement shall be granted sick leave with pay of one working day for every month of continuous service on the basis of twelve (12) days per year. The amount of sick leave not taken shall accumulate from year to year. Sick leave will be prorated in the year of termination.

Sick time will not accrue during an employee's leave of absence due to sickness. Upon retirement within the definition of PERS, excluding deferred retirement, an employee is entitled to one (1) day's pay for each two (2) days of accumulated sick leave, up to a maximum of sixty (60) days of pay, unless terminated following conviction in a criminal court of a premeditated, indictable offense. All Employees hired after May 21, 2010 shall only be entitled to receive up to a total of \$15,000 of accumulated sick leave payment at the time of his/her retirement (excluding deferred retirement) in accordance with NJSA 40A:9-10.4,

No employee shall be paid for accumulated sick leave upon their voluntary resignation or termination of employment from the Township if the employee is terminated or resigns for sustained disciplinary action.

Notwithstanding the above, all payments for sick leave shall not exceed the New Jersey State Law cap.

If an employee exceeds sick leave usage, whether still employed, or upon termination or resignation said monies are to be deducted from his/her paycheck or final check, as the case may be. If it is not possible to pay owed monies out of the last check, the employee will owe the Township the remaining balance of the days.

B. If an employee does not utilize any sick days during a calendar year; they shall be credited with an additional personal day for use the next

ensuing year.

C. All employees, upon completing one (1) year of employment, shall be credited with the entire year's sick leave, which may be utilized at any time.

D. Sick leave may be taken and utilized by employees in one half or full day increments only.

E. In addition, accumulated sick leave may be used by an employee for illness in the immediate family which requires attendance upon the ill family member. The term "immediate family" for the purposes of this section shall mean and refer to the employee's spouse, child, step-child, grandchild, parent, grandparent or unmarried brother or sister. The appropriate certification pursuant to the Family and Medical Leave Act ("FMLA") is required to use accumulated sick leave. Attached hereto and made a part hereof, is Appendix C, the FMLA policy.

Section 2

Section 3

Leave of Absence (Non Work Related Injury)

A. A leave of absence may be granted to full time employees, who are ill or disabled, not resulting from duties performed during their employment and when such illness or disability is evidenced by a certificate of a physician. A leave of absence shall be granted only when the employee has expended his/her accumulated sick and vacation leave. Eligible employees may apply for Group Disability Benefits through the Township's Group Insurance. An employee may purchase sick time back from the Township according to the employee's rate of pay and the amount that the insurance company provides once the employee returns back to work. For example, the amount of time "bought back" will be whatever the disability check will purchase according to the employee's daily rate of pay. It is specifically agreed and understood between the parties hereto that the Township shall have sole discretion in determining whether to grant or deny such a leave. A decision to grant or deny such a leave in one case shall not be used as precedent in any later case. Each case shall be decided

according to its own merits.

B. When a leave of absence without pay is granted to an employee for non-work related sickness or injury, the employee's anniversary date will change upon his/her return to work.

C. The parties agree that an employee's prolonged absence from work because of an unrelated work injury or illness will not affect his/her seniority for the purpose of layoffs provided the employee has applied for, and has been granted, a leave of absence as provided by this Agreement.

Section 4. Donated Leave Program.

A. Unit members are permitted to donate and receive donated leave time from members of the bargaining unit as well as members of the Teamsters Union and full time unclassified employees as defined in the parameters of the donated leave policy of this contract. A permanent full-time employee is eligible to receive donated sick or vacation leave if the employee:

1. Has completed at least one year of continuous employment by the Township;
2. Has exhausted all accrued sick, vacation and personal leave, all sick leave injury benefits, if any, and all compensatory time off;
3. Has not, in the two-year period immediately preceding the employee's need for donated leave, been disciplined for chronic or excessive absenteeism, chronic or excessive lateness or abuse of leave; and
4. Either (i) suffers from a catastrophic health condition or injury; (ii) is needed to provide care to a member of the employee's immediate family who is suffering from a catastrophic health condition or injury; or (iii) requires absence from work due to the donation of an organ (which shall include, for example, the donation of bone marrow).

B. As used herein, a "catastrophic health condition or injury" means:

1. With respect to an employee, (i) a life-threatening condition or combination of such conditions; or (ii) a period of disability required by his or her mental or physical health and necessitating the care of a physician who provides a medical verification of the need for the employee's absence from work for 60 or more work days.

2. With respect to an employee's immediate family member, (i) a life-threatening condition or combination of such conditions; or (ii) a period of disability required by his or her mental or physical health and necessitating the care of a physician who provides a medical verification of the need for the family member's care by the employee for 60 or more work days.

C. An employee may request that the Township Manager approve his or her participation in the program, as a leave recipient or leave donor. The employee's authorized representative may make such a request on behalf of the employee for his or her participation in the program as a leave recipient.

1. The employee or authorized representative, requesting the employee's acceptance as a leave recipient, shall submit to the Township Manager medical verification from a physician or other licensed health care provider concerning the nature and anticipated duration of the disability resulting from either the catastrophic health condition or injury, or the donation of an organ, as the case may be.

2. When the Township Manager has approved an employee as a leave recipient, the Township, with the employee's consent, will post the employee's name along with those of other eligible employees on bulletin boards within the workplace to encourage the donation of leave time, and will provide a copy of the employee list to the majority representative of the Township's unionized employees. If the employee is unable to consent to this posting, the employee's family may consent on his or her behalf.

D. A leave recipient must receive at least five sick days or vacation days or a combination thereof from one or more leave donors to participate in the donated leave program. A leave recipient shall receive no more than 180 sick days and/or vacation days, and shall not receive any such days on a retroactive basis.

E. A leave donor shall donate only whole sick days or whole vacation days and may not donate more than ten such days to any one recipient. A leave donor must have remaining, after the donation, at least 20 days of accrued sick leave if donating sick leave and at least 12 days of accrued vacation leave if donating vacation leave. A leave donor may not revoke the leave donation. Employees desiring to donor leave shall complete a donated leave form satisfactory to the Township.

F. Any unused, donated leave shall be returned to the leave donors on a prorated basis upon the leave recipient's return to work, except that if the proration of leave days results in less than one day per donor to be returned, that leave time shall not be returned. Unused donated leave shall not be converted upon retirement into additional compensation.

G. Employees are prohibited from threatening or coercing or attempting to threaten or coerce another employee for the purpose of interfering with rights involving donating, receiving or using donated leave time. Such prohibited acts shall include, but not be limited to, promising to confer or conferring a benefit such as an appointment or promotion or making a threat to engage in, or engaging in, an act of retaliation against an employee.

H. The Township reserves the right to suspend or terminate the donated leave program at any time upon 30 days written notice of such suspension or termination to affected employees and the majority representatives of Township unionized employees.

I. Donated leave used by a recipient will count against any leave entitlement to which the recipient is eligible under the Federal Family and Medical Leave Act and, when taken to care for a member of the employee's immediate family, that Act and the New Jersey Family Leave Law.

Section 5

Leave of Absence (Work Related Injury)

A. When a permanent employee covered by this Agreement is injured or disabled resulting from, or arising out of, his/her employment and such injury or disability shall be evidenced by the certificate of a physician designated by the Township Manager to examine such employee, the Township Council may, by ordinance pursuant to N.J.S.A. 40A:9-7, grant the injured or disabled employee a leave of absence with pay for a period not exceeding one (1) year. The employee shall not be charged any sick leave time for the time lost due to the aforesaid injury or disability. It is specifically agreed and understood between the parties hereto, that the Township shall have sole discretion in determining whether to grant or deny such a leave. A decision to grant or deny such a leave in one case shall not be used as precedent in any later case. Each case shall be decided according to its own merits.

B. The employee shall reimburse the Township by remitting the checks he/she may receive from Worker's compensation, benefits of insurance policies paid by the Township, salary considerations received through legal settlements or judgments that result from any job-related injury or disability referred to in this Article.

D. The parties also agree that the injured or disabled employee's anniversary date will not be changed due to absences caused by job-related injury or disability.

E. Every effort shall be made to schedule all pre-approved medical appointments for workman's compensation injuries after the employee's normal scheduled work day. In the event that the employee is unable to schedule the appointment after work hours, then the employee shall make every effort to schedule the medical appointments at the beginning or end of the employees regularly scheduled work day. The employee shall not be charged with time spent at the pre-approved medical appointments. However, the Township reserves the right to contact the doctor's office to inquire about scheduling appointments after the employees regularly scheduled work day.

Section 2

G. Time Limitations:

The time limits set forth herein shall be strictly adhered to. The parties may waive the time limits for any Step herein by written mutual consent executed by the representatives for all affected parties.

**ARTICLE XVI
SENIORITY****Section 1**

Seniority shall be defined as length of continuous service as a permanent full time employee within the bargaining unit. Former employees of the HTMUA shall have seniority based upon the effective date of January 1, 1992 for all purposes other than determining the number of vacation days for those employees. Former employees of the Joint Board of Fire Commissioners assigned to the Fire Bureau, shall have seniority based upon their date of hire with the Joint Board of Fire Commissioners assigned to the Fire Bureau.

Section 2

A. In case of a layoff, the required reductions shall be made in such job classification(s) as directed by the Township Council with the least senior employees in the job classification(s) being laid off first.

B. Where employees are laid off and an opening occurs for reemployment within two (2) years, employees on layoff shall be recalled within job classification in the order of seniority. If the person recalled does not accept the position within one (1) week from notification, he/she shall be considered to have resigned.

C. A senior employee may, in order to retain his/her employment, "bump" a junior employee within the same or lower salary grade, or similar job title who has less seniority provided such senior employee is qualified to hold the position. Notwithstanding, white collar employees may only bump other white collar employees and blue collar employees may only bump blue collar employees.

An employee (s) step in grade shall not be a consideration in the layoff process. Management shall determine the employee (s) right to bump based on their ability to perform the essential job requirements.

Management has the right to determine the employee's ability to perform the essential job requirements through either an interview process or testing procedure.

There shall be a forty five (45) notice given to the Union and the employee (s) being laid off, with a letter of the names and titles of employees within the bumping employee (s) grade and lower who may be subject to the bumping process, and the employee (s) that could be affected will get the same letter. The bumping process for the affected employee (s) will take place and be completed by the end of the initial forty five (45) calendar day notice, in which time the affected employee (s) will no longer be employed by the Township.

D. In determining layoffs and bumping rights when two or more employees have the same date of hire, the following shall determine the tiebreaker:

2. The month and day of birth of the employees.

E. No part-time, temporary or summer employees shall be hired into a classification from which full time employees remain subject to recall.

Section 3

The filling of all newly created or vacated positions shall be within the reasonable discretion of the Employer with consideration given to existing full time employees.

Vacated positions that will be filled shall be posted at the same title and grade, unless the job duties have changed, however, no vacancy may be downgraded more than three (3) grades. The Employer shall, in manning said positions, take into account all qualifications necessary for the efficient fulfillment of the job title. In the event two or more existing employees are considered for a position, and meet the essential job qualifications, preference shall be given to the employee who meets the job qualifications with equal consideration given to seniority, schooling, licensing/certifications, attendance and discipline history. Notwithstanding the remaining provisions of this section, if an employee was transferred into

a position with a higher grade, when said employee vacates that position, the position shall return back to the original grade that the position was intended for.

"Notwithstanding this Section, a vacancy or newly created position shall not require management to hire existing full time employees. Management maintains the right to fill any such positions with outside candidates. The Township shall notify the Union of all salary upgrades; upgrades not to exceed three (3) grades within same department. No additional upgrades for that position will occur for a period of at least one (1) year.

Section 4

All positions to be filled in accordance with Section 3 of this Article shall be posted for seven (7) business days except for salary upgrades of up to three (3) grades.

A decision shall be made thirty (30) calendar days after the close of the application period, or the Township shall provide notice to the Union of its withdrawal of the posting. If an existing employee is awarded the position shall have a sixty (60) day trial period. If said employee is found to be unqualified during the sixty (60) day trial period, said employee shall resume his/her former position at the same grade and step unless the position has been filled, in which case the employee shall assume an equivalent position thereto at the rate of pay of the former position and with no loss in seniority. During the first (1st) year of employment an employee shall be credited 1 day for every 4 months worked, not to exceed a total of three personal days accrued for the year. Any new employee hired before the 15th day of the month shall be credited with having worked one month for the purposes of calculating personal day entitlement. An employee may utilize personal days at any point during the year, but shall reimburse the employer the prorated quantity of days or hours if the employee resigns or is terminated from his/her employment prior to December 31. The Union agrees that any owed personal days will be deducted from the employee's last pay check by the Employer. The days shall not be cumulative to the following year. Personal days are prorated in the year of termination for retirement purposes as well.

ARTICLE XXII EDUCATIONAL REIMBURSEMENT

Section 1

Should an employee desire to enroll in an approved work-related non-college course or workshop or seminar, such employee may submit a request for reimbursement of the expenses of such course or workshop to the Township Manager. The Township Manager may, in his discretion, approve those courses or workshops, provided that the continuing education will benefit the Township, it is related to an employee's work and funds are available. Employees must obtain advance approval in order to be eligible and proof of attendance, when available, shall be submitted after the employee has taken the course, workshop or seminar.

Section 2

A. Should an employee desire to attend college, such employee may submit a request to the Township Manager. The Township Manager may, in his discretion, approve those courses, which will benefit the Township, are related to an employee's work, and for which funds are available. Employees must obtain advance approval in order to be eligible.

B. The Township will pay for tuition only, in accordance with the following terms: Full payment if employee receives an A; 75% if employee receives a B; 50% if the employee receives a C; if the employee receives a D or less, there will be no reimbursement. The Township will pay for a maximum of six credits per semester for an individual. The maximum rate

paid will be equal to Rutgers University New Brunswick Rates. "Pass/Fail" courses will be reimbursed at 60% for pass, 0 for fail.

C. An employee shall be required to return to the Township 100% of the tuition funds reimbursed if that employee leaves the employ of the Township within two (2) years from the date of tuition reimbursement. If an employee leaves within (3) to (5) years he/she shall reimburse the Township for 50% of the tuition paid. Exceptions can be made at the Managers discretion for employees with (5) years of more.

Section 3

If an employee is ordered by the Township to attend work-related courses or schooling, the Township will pay for the course and all reasonably related expenses incurred. If the courses are voluntary, no overtime shall be accrued. The employee will be compensated if the course falls on their day off, using compensatory time or pay at the employee's option.

Section 4

Each instance of approval/disapproval shall be considered on its own merits and shall not be precedential as to other requests.

ARTICLE XXIII CLOSING OF FACILITY

Section 1

The Employer agrees that notification to employees will be provided by a call-in-system or by direct notice from employees' supervisors when it is determined by the Employer that certain local government facilities will be closed because of weather conditions or other facility problems. Any decision of closing must come from the Manager's Office or directly from the Township Council.

If the facility is closed by the Township Manager the employee will not be charged for a sick day, vacation day or personal day pre-scheduled for that day. In the event that the Town Hall is closed or closes early due to weather conditions, all employees who are required to work shall receive equivalent compensatory straight time off. For the purposes of this Article, prescheduled shall be defined as having been submitted prior to 11:59 PM on the day prior to the closing.

ARTICLE XXIV SAVINGS CLAUSE

Section 1

It is understood and agreed that if any provision of this Agreement or the application of this Agreement to any person or circumstance shall be held invalid, the remainder of the Agreement or the application of such provision to other persons or circumstances shall not be affected thereby.

Section 2

If any provisions are so invalid the Employer and the Union will meet for the purpose of negotiating changes made necessary by applicable law.

ARTICLE XXV FURTHER NEGOTIATIONS

Section 1

Prior to the ending date of this Agreement, pursuant to the regulations of the New Jersey Public Employment Relations Commission, the parties shall confer, at mutually agreed upon times and places for the purposes of effectuating, if possible, a new or a continuation of the within agreement.

ARTICLE XXVI DURATION OF AGREEMENT

Section 1

This Agreement shall be in effect as of January 1, 2018 up to and including December 31, 2021.

Section 2

APPENDIX C

FAMILY AND MEDICAL LEAVE

1. Eligibility

Employees may be entitled to a leave of absence under the federal Family and Medical Leave Act (FMLA) and/or New Jersey Family Leave Act (NJFLA). This policy provides employees information concerning FMLA and NJFLA entitlements and obligations employees may have during such leaves. If employees have any questions concerning FMLA leave, they should contact the director of human resources.

FMLA leave is available to employees who meet the following criteria: an employee must: (1) have been employed by the Township of Howell for at least 12 months (which need not be consecutive); (2) have been employed by the Township of Howell for at least 1,250 hours of service during the 12-month period immediately preceding the commencement of the leave; and (3) be employed at the worksite where 50 or more employees are located within 74 miles of the worksite.

NJFLA leave is available to employees who meet the following criteria: (1) have been employed by the Township of Howell for at least 12 months; and (2) worked 1,000 hours during the immediately preceding 12-month period.

Eligible employees who take leave under this policy must use all accrued available vacation, sick and personal days during the leave or usage of time as per Union contract. The use of accrued time will not extend the leave period. After exhausting accrued time, the employee will no longer be paid for the remainder of the leave.

2. Entitlements

The FMLA and NJFLA provide eligible employees with a right to leave and health insurance benefits. The FMLA also entitles employees to certain written notices concerning their potential eligibility for and designation of FMLA leave. The employee will receive seniority credit for the time that the employee has been on leave. At the conclusion of the leave period, an eligible employee is entitled to reinstate to the position the employee previously held or to an equivalent one with the same terms and benefits that existed prior to the exercise of leave.

A. FMLA Leave Entitlement

The FMLA provides eligible employees up to 12 workweeks of unpaid leave for certain family and medical reasons during a 12-month period. The 12-month period is determined based on a rolling 12-month period measured backward from the date an

employee uses his/her FMLA leave. Leave may be take for anyone, or for a combination, of the following reasons:

- (i) To care for the employee's child after birth, or placement for adoption or foster care;
- (ii) To care for the employee's spouse, son, daughter or parent (but not in-law) who has a serious health condition.
- (iii) For the employee's own serious health condition (including any period of incapacity due to pregnancy, prenatal medical care or childbirth) that makes the employee unable to perform one or more of the essential functions of the employee's job and/or
- (iv) Because of any qualifying exigency arising out of the fact that an employee's spouse, son, daughter or parent is a covered military member on active duty or has been notified of an impending call or order to active duty status in the National Guard or Reserves in support of contingency operation

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

B. NJFLA Leave Entitlement

An employee's NJFLA unpaid leave entitlement is limited to a total of 12 weeks in any 24 month period upon advanced notice to the Township. The 24-month period is calculated using a "rolling period" by measuring backward from the date an employee uses leave. Leave taken because of the birth or the placement for adoption. NJFLA unpaid leave for an employee may be taken to provide care made necessary by reason of:

- (i) The birth of a child of the employee;
- (ii) The placement of a child with the employee in connection with adoption of such child by the employee; or
- (iii) The serious health condition of a family member of the employee (family Members include parent. In-laws, children, and spouse).

C. FMLA AND NJFMLA

Leave covered by both FMLA and NJFLA will run concurrently. For example, an employee taking leave to care for a family member will have the leave designated as both FMLA and NJFLA leave

3. Military Family Leave Entitlement (Injured Service Member Leave)

In addition to the basic FMLA leave entitlement discussed above, an eligible member who is the spouse, son, daughter, parent or next of kin of a covered service member is entitled to take up to 26 weeks of leave during a single 12-month period to care for the service member with a serious injury or illness or up to twelve (12) weeks in a year for a qualifying exigency. A qualifying exigency occurs when a member of the National Guard or Reserves is called to active duty and a close member of his/her family must attend official ceremonies or family support or assistance meetings, there is a short deployment, to attend to childcare matters, attend to financial and/or legal matters, or counseling. Leave to care for a service member shall only be available during a single 12-month period and, when combined with other FMLA-qualifying leave, may not exceed 26 weeks during the single 12-month period. The single 12-month period begins on the first day an eligible employee takes leave to care for the injured service member.

4. Intermittent Leave and Reduced Leave Schedules

FMLA and/or NJFLA leave usually will be taken for a period of consecutive days, weeks or months. However, employees also are entitled to take leave intermittently or on a reduced leave schedule when medically necessary due to a serious health condition of the employee or covered family member or the serious injury or illness of a covered service member. In addition an employee with more than one qualifying event within a 12 month period is not entitled to a separate 12 week period of leave for each event.

5. No Work While on Leave

The taking of another job while on family/medical leave or any other authorized leave of absence is grounds for immediate termination, to the extent permitted by law.

6. Notices of Eligibility for, and Designation of, FMLA Leave

Employees requesting FMLA leave are entitled to receive written notice from the Township of Howell telling them whether they are eligible for FMLA leave and, if not eligible, the reasons why they are not eligible. When eligible for FMLA leave, employees are entitled to receive written notice of: (1) their rights and responsibilities in connection with such leave; (2) Township of Howell's designation of leave as FMLA-qualifying or non-qualifying, and if not FMLA-qualifying, the reasons why; and (3) the

amount of leave, in known, that will be counted against the employee's leave entitlement.

The Township of Howell may retroactively designate leave as FMLA leave with appropriate written notice to employees provided the Township of Howell's failure to designate leave as FMLA-qualifying at an earlier date did not cause harm or injury to the employee. In all cases where leaves qualifying for FMLA protection, the Township of Howell and employee can mutually agree that leave be retroactively designated as FMLA leave.

7. Employee Leave Obligations

A. Provide Notice of the Need for Leave

Employees who take FMLA and/or NJFLA leave must timely notify the Township of Howell of their need for leave. If the leave is foreseeable. The employee shall be required to provide at least thirty (30) days' notice prior to the leave beginning. If the leave needs to begin in less than thirty (30) days, the employee must provide such notice as is practicable. Employees who fail to give 30 days' notice for foreseeable leave without a reasonable excuse for the delay, or otherwise fail to satisfy the notice obligations, may have leave delayed or denied.

B. Procedure

The employee shall submit to the Township Manager a written form entitled Application for Family Medical Leave. The Application for Family Medical Leave form provides the Township with, among other things, notice that leave will be taken, the amount of leave to be taken, and the reason for the leave. In addition, if the leave involves an illness, the employee shall be required to submit to the Township Manager a written form entitled Certification of Health Care Provider. The Certification of Health Care Provider form must be completed by a health care provider and shall include, among other things:

- (1) The date which serious health condition commenced;
- (2) The probable duration of the condition;
- (3) The appropriate medical facts within the knowledge of the health care provider regarding the condition;
- (4) Where applicable, a statement that the employee is needed to care for a covered relation and the amount of time needed to care for the person.

Intermittent or reduced leave medical certifications shall state:

- (1) The dates on which treatment is expected to be given and the duration of such treatment;
- (2) A statement of the medical necessity for the intermittent or reduced leave schedule and the expected duration;

(3) Where applicable, a statement that an intermittent or reduced leave schedule is necessary to care for a covered relation or will assist in the recovery and the expected duration and schedule of the leave.

The Township may require subsequent recertification on a seasonable basis. Failure to provide any certification is grounds for denial of the leave. If the Township has doubt as to the validity of the certification provided, the Township may require, at its expense, that the employee obtain a second opinion from a health care provider selected by the Township. If the second opinion differs from the first, a third mutually agreeable health care provider shall be selected, whose opinion shall be binding. The Application for Family Medical Leave form and the Certification of Health Care Provider form is available in the Office of the Township Manager.

Commencing on July 1, 2009, Family Temporary Disability ("FTD") payments for up to six (6) weeks in a twelve (12) month period will become available for eligible employees who are caring for a seriously ill immediate family member who is incapable of self-care or care of a newborn or adopted child. To be eligible, the employee must have worked at least 20 weeks at minimum wage within the last 52 weeks or earned 1000 times the minimum wage. The weekly benefit is 2/3 of weekly compensation up to maximum of \$524 per week (this amount is subject to change). FTD will run concurrently with FMLA and/or FLA leaves and there is a one week waiting period. Employees may also be required to use accrued sick, vacation or personal leave for up to two weeks.

Unless the Township grants an extension, an employee who fails to return to work upon the expiration of a family or medical leave could be subject to discipline up to and including termination. Employees should direct their written request for an extension of leave to the Township Manager as soon as they realize that they will not be able to return at the expiration of the leave.
