Narrative

On 01/04/2019 a Caucasian male with a beard was reported as video taping the area of District One. Officers made contact with an individual wearing a camouflage jacket outside of the Municipal Court entrance. The male was holding a digital video camera mounted on a small tripod. He was advised that he is free to video but is barred from any sensitive area of the building/property that is marked/signed. He did not wish to provide his name to officers upon request. He met with records personnel following our interaction.
