If your service is shut off

If we shut off your service because you fail to pay outstanding charges, we will charge a reconnection fee of \$45.00 for each service when you do pay the amount you owe. We may not be able to restore your service on the date you make your payment. We may also require you to pay a security deposit.

You can avoid paying a security deposit and earning a poor credit rating with PSE&G by paying your bills by their due date. A fee of \$30.00 will be charged if a visit is made to collect past due bills. A late payment fee may be charged for past due bills.

This bill reflects BPU-approved changes in the Delivery and Supply portions of your electric bill, effective on and after June 1, 2025.

The changes in the Delivery portion of your bill are due to changes in the Green Programs Recovery Charge, COVID-19 Cost Recovery Charge, the Zero Emission Certificate Recovery Charge, and the Conservation Incentive Program. The increase in the Supply portion of your bill is a result of the statewide supply auction that was approved by the BPU on February 12, 2025. The overall impact for business customers will vary by individual customer usage. Tariff information may also be found by visiting pseg.com.
