You can discuss your options by visiting one of our customer service centers, or by calling our credit and collection center at **1-800-357-2262** between 7:30am and 8pm, Monday through Friday.

If you are not able to resolve a dispute with us, you may contact the New Jersey Board of Public Utilities to ask them to help you resolve it. PSE&G operates under the authority of the Board.

If your service is shut off

If we shut off your service because you fail to pay outstanding charges, we will charge a reconnection fee of \$45.00 for each service when you do pay the amount you owe. We may not be able to restore your service on the date you make your payment. We may also require you to pay a security deposit.

You can avoid paying a security deposit and earning a poor credit rating with PSE&G by paying your bills by their due date. A fee of \$30.00 will be charged if a visit is made to collect past due bills. A late payment fee may be charged for past due bills.
