Re: Application submitted by:

Perry Arons

Regarding property at:

163 Sharon Road

Blocks 26; Lots 14 & 16

Robbinsville Township, Mercer County

Dear Interested Party:

I am sending you this letter to inform you that I am submitting an application for a permit or approval to the New Jersey Department of Environmental Protection (NJDEP) under the Freshwater Wetlands Protection Act rules, N.J.A.C. 7:7A. The permit or approval will either establish the boundary of freshwater wetlands on the above property, or will authorize me to conduct regulated activities on the property.

I am applying for the following approval(s):

☒ Letter of interpretation (establishes the official boundary line of any regulated freshwater wetlands, open waters, or transition areas on the property, and if freshwater wetlands are present, identifies their resource value)

☐ General permit authorization (authorizes regulated activities, such as construction or development, in wetlands and adjacent transition areas)

☐ Individual transition area waiver (authorizes regulated activities, such as construction or development, in areas adjacent to wetlands)

☐ Individual freshwater wetlands permit (authorizes regulated activities, such as construction or development, in both wetlands and adjacent transition areas)

☐ Open water fill permit (authorizes regulated activities, such as construction or development, in open waters)

The activities for which my application requests NJDEP approval are (I have checked all of those that apply):

☒ No regulated activities, just establishing where regulated wetlands (if any) are found on my property

☐ Cutting or clearing of trees and/or other vegetation

☐ Placement of pavement or other impervious surface

☐ Placement of one or more buildings or other structures

☐ Expansion of existing pavement, buildings, or other structures

☐ Other (describe):

If you would like to inspect a copy of my application, it is on file at the Municipal Clerk's Office in the town in which the property is located, or you can call the NJDEP at (609) 777-0454 to make an appointment to see my application at NJDEP offices in Trenton during normal business hours.
