OPRA Requests

At last meeting, Director McCormick spoke about the Gunnison Undercover group going around to different Municipalities.

Just an FYI to all, at 4:30am, a person with the screen name Jen Alexander posted over 30 posts of on PD Facebook page. Her topics ranged from videotaping in public buildings to citizen journalism. After creating all of these posts, she contacted our PD asking why she was blocked from our page, which she was not. She later identified herself as Jennifer Coombs and after some investigating, Jennifer runs a FB and YouTube page called "Time to Change Jersey Style".

Subsequently, we just received an OPRA requests from Cynthia Moore ranging from topics such as our Social Media policy to Internal Affairs Reports to Police Officers salary. I was just wondering if anyone else had a similar incident or received these requests.
