Narrative

Brian was extremely intoxicated and believed that the vehicle in question was his Uber that was going to take him to Toms River. I explained to Brian that he was already in Toms River however he was extremely confused as to his current location. Ptl. Sayegh provided a ride home for him to drop him off to a responsible adult. Two good samaritans stopped and claimed to have video of a "carjacking" by the suspect on a dahscam however were unable to view the video. They described his actions as initially reported, he tried to open the door of a vehicle and made no threatening statements or took any other actions and the vehicle pulled off. I requested that the witness email me the video for review as he was adamant that some form of criminal activity occurred.
