Distressed Neighbour

Dear Requestor,

We received your Open Public Records Act ("OPRA") request dated **February 24, 2026** on **February 24, 2026**. As such, the seven (7) business day deadline to respond to your request is **March 5, 2026**. We are providing you with a response to the **Paramus Police Department** items in your request in a timely manner in accordance with New Jersey Law.

This request sought access to the following re: Acorn Dr, Arthur Terrace, roedel Place, greg lawn drive, polly Ann terrace, Ivanhoe drive, yuhas drive

With regard to incident reports, operations reports, investigation reports, tickets issued, citations issued, summonses issued, arrest reports(vehicle, traffic stops)

Response: Denied – No records responsive

With regard to CAD (traffic Stops)

Response: Please find records responsive

With regard to dispatcher, police journal entry records, dispatch recordings, vehicle reports. records of warnings, copies written warnings, documentation of verbal warnings, charge sheets (drivers/vehicle owners)

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See **New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007).** A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See **Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005).** Custodians are not required to conduct research or create new records in response to an OPRA request.
