145. Crash Description/Narrative

On Sunday, September 3, 2023, at approximately 2106, I responded to a crash on Amwell Road (Route 514). At the time of the crash, the weather was clear, and the road surface was dry. Upon arrival I observed this to be a four-car collision. FTPD Communications had advised that there were multiple injuries and upon my arrival, two RWJBH BLS units were on scene and assessing the victims. The driver of V2 was already in the back of one of the ambulances and was transported to RWJBH New Brunswick due to the complaint of pain to the head. It was later determined that she had suffered a concussion as a result of this incident. The driver of V3 advised that she had been traveling eastbound on Amwell behind V1 which was also traveling eastbound. She stated that V1 was swerving back and forth, repeatedly crossing the centerline, and he eventually struck an oncoming vehicle in the westbound lane (V2).

As a result of being struck by V1, V2 began to spin and subsequently struck the driver's side of V3 causing the passenger side airbags on the vehicle to deploy. The driver of V3 was not injured. I then spoke with the driver of V4 who advised that V1 had come across the centerline and struck his vehicle head on. This occurred after V1 had struck V2. As a result of this impact, the two passengers in V4, an adult female who was five months pregnant and a four-year-old female were transported to RWJBH New Brunswick for further medical attention. The driver of V4 had a small laceration on his right forearm but refused medical attention.

The Driver of V1 advised that there was "a deer or something driving by" which he had to swerve to avoid, which is why he crossed the centerline and caused the collision. One of the passengers of V1 had the complaint of pain to the chest as a result of the seatbelt, however she declined further medical attention after being assessed by RWJBH BLS. The driver of V1 was put through SFST's on scene and later placed under arrest for driving while intoxicated (See IR # 23051482 for further information). V1 was impounded by Anthony Motors in accordance with John's Law. V4 was also towed by Anthony Motors. V2 and V3 were towed by Guaranteed Motors.
