144. Crash Diagram

145. Crash Description/Narrative

D1 stated she was driving South Bound on Cedar Grove Lane. D1 stated she saw the headlights on V2 approaching and the V1 collided with V2. D1 did not believe she crossed over the center line.

D2 stated he was driving North Bound on Cedar Grove lane. D2 stated that V1 was approaching from the South Bound lane. V1 then crossed over the center line and collided with V2.

Investigation revealed that V1 failed to maintain lanes, crossed over the center line, and collided with V2. I observed scarring on the roadway in the North bound side of Cedar Grove Lane that indicates that V1 crossed over the center line and collided with V2.
