145. Crash Description/Narrative

Owner of V1 advised that she parked her Vehicle on Oakbrook Place, facing Northbound on 09/6/2023 at approximately 2230 hours. Upon returning to her vehicle this morning (9/7/2023) at approximately 0706 hours, she observed the rear driver side quarter panel damaged along with a scratch to her rear driver side brake light. Owner of V1 further stated that the damage was not there upon parking her vehicle last night.

Officer Investigation revealed, the vehicle may have been involved in an hit and run, however, the damage done to the vehicle was very minor and no paint transfer on the vehicle. There was nothing of evidential value left on scene and I did not observe any surveillance cameras in the immediate area.
