144. Crash Diagram

145. Crash Description/Narrative

D1 stated he was making a right turn from Quick Check onto Easton Ave South Bound. D1 stated he did not see V2 and proceeded to make the right turn. V1 then collided with V2.

D2 stated he was driving South Bound on Easton Ave. V1 then made a right turn from Quick Check and collided with V2.

Investigation revealed that V1 failed to yield to V2, which was driving South Bound on Easton Ave. V1 made a right turn from a stop sign and then collided with V2.

V2 trailer information:
NJ Reg: TLL27G
VIN: 43YDC14285C040517

It should be noted that V2's NJ Registration is expired. I advised dispatch to provide a Pin to renew the registration. I provided D2 with the Pin and advised to pull over on the next street in a safe area and renew the registration. I observed V2 pulled over on the next street in a safe area.
