Incident Report

On 07/04/25, I was patrolling the area of South River Street and East Kennedy Street when I observed a blue Honda Civic (unknown registration) traveling north on South River Street at a high rate of speed. I caught up with the suspect's vehicle at the intersection of South River Street and East Broadway, where I attempted to conduct a motor vehicle stop. Once I activated my emergency lights, the suspect's vehicle stopped briefly then accelerated through the red traffic signal. I was unable to identify the vehicle's license plate. I followed the suspect's vehicle from East Broadway to Anderson Street, with the lights and sirens activated in Radio Car 120, with the approximate speed of 80 mph to 100 mph. I advised Headquarters that the suspect's vehicle was traveling towards Post 9, and to advise the post car. The suspect's vehicle made a right turn onto East Anderson Street going towards Teaneck Township. I then advised Police Headquarters to notify Teaneck Township. I advised dispatch of the reason for the pursuit, which was then terminated by Sgt. Farhi.

I was assigned marked radio car 120 from 18:00 hours to 04:00 hours. Radio Car 120 does not have an operable dash camera. It has the L3 Mobile Vision model. My bodyworn camera was not activated.
