**Incident Report**

On Thursday, January 25, 2024 at 1610 hours, I had completed a service call at Russo Development (2000 Valley Brook Avenue) when I observed an individual operating a blue "motocross" style dirt bike. The operator continued to travel east on Valley Brook Avenue while passing my patrol vehicle 32-64.

I proceeded to follow the blue dirt bike while traveling east towards the Woods Court area and activated my body worn camera. Due to the dirt bike not having a license plate and operation on said roadway is prohibited, I activated my emergency lights and utilized my siren to conduct a motor vehicle stop. The operator of the blue dirt bike did not initially stop and pull over, however, would eventually pull over just prior to Dekorte Plaza. I observed the operator to be wearing a helmet, white shoes, blue jeans and a red sweatshirt. Additionally, I observed the operator to be in possession of a "Go-Camera" which is utilized to capture pictures and/or videos while outdoors. Once we both came to a complete stop, the operator of the dirt bike did a quick U-turn toward the driver door of my patrol vehicle. I immediately signaled (with my hand) to this individual to turn the dirt bike's engine off and exited my patrol vehicle. The operator was in close proximity to this officer and I was able to observe the operator to be a young Hispanic male.

Here, the male operator signaled to this officer that he was going to turn the dirt bike's engine off, however, he proceeded to travel west on Valley Brook Avenue at a high rate of speed. I reentered my patrol vehicle and attempted to close the distance with the dirt bike, however, I was unsuccessful. The speed and operation in which the dirt bike was traveling was extremely unsafe and reckless. Due to the totality of circumstances regarding the motor vehicle stop, this officer believed that the incident was a "baiting" scenario in which individuals record police chases and upload the videos to social media. I elected to not pursue but follow the dirt bike while it continued traveling west on Valley Brook Avenue to ensure the operator would not hurt himself or any of the additional drivers on the roadway. It should be noted that within this area of town during the reported timeframe, is a heavily populated area with traffic. Ultimately, I lost visual sight of the dirt bike after it made a right turn and traveled down the wrong way on Lafayette Avenue from Valley Brook Avenue.

I advised police headquarters of the entire encounter and submitted a CAD for documentation purposes. It should be noted that the individual was identified by the Lyndhurst Criminal Investigation Division and the investigation is being handled by Detective Steve Batista. Please reference Detective Batista's supplemental report for any further information if needed.

**Supplemental Investigation Report**

On Friday, January 26, 2024, at approximately 0941 hours, I sent DSG George Tsimpedes of Parippany PD an e-mail with the pedigree information of our suspect, which I believed maybe a possible match for one of the suspects he was investigating.

On Friday, January 26, 2024, at approximately 1220 hours, I submitted an online preservation request to META for the account ZETA\_370Z via their online portal.

On Wednesday, January 31, 2024, at approximately 1700 hours, Stella Estrada-Mota, responded to police headquarters to provide her account of the incident.

On Wednesday, January 31, 2024, at 1853 hours, the suspect, Elmer Estradadelaroca, arrived at police headquarters to provide his account of the incident, as well as to turn himself into police custody. Det. McSweeney and I escorted the suspect into the CID interview room and conducted a recorded interview. Prior to beginning the interview, I advised Mr. Estradadelaroca of his rights in accordance with Miranda. He acknowledged his rights by signing the prescribed wavier form.

During the interview, Mr. Estradadelaroca described his account of the incident and admitted to seeing the marked Lyndhurst patrol vehicle with it's lights activated. Mr. Estradadelaroca also advised that he observed the patrol officer and believed that if he stopped for the police officer, he would have his dirt bike impounded so he made the decision to flee from the officer at a high rate of speed. Mr. Estradadelaroca said that once he fled from the scene he drove directly back to his residence at 121 Stuyvesant Avenue and parked the dirt bike in the garage. Mr. Estradadelaroca was apologetic about the incident and believed he was taking responsibility for his actions by turning himself into police custody.

At the completion of the interview, Det. McSweeney and I escorted Mr. Estradadelaroca into the LPD processing room. Once inside of the processing room I completed the Health/Rights, Suicide forms, to which Mr. Estradadelaroca acknowledged that he understood and signed all necessary forms. I photographed Mr. Estradadelaroca utilizing the processing room camera and entered the photographs into the LawSoft System. Det. McSweeney fingerprinted Mr. Estradadelaroca utilizing the LiveScan System.

I completed complainant summon 0232-S-2024-000033 charging Mr. Estradadelaroca with 2C:29-2B: Eluding, a crime of the second degree. Prior to being released from police custody Mr. Estradadelaroca was provided a copy of the complainant and a copy of his CJP notice which advised him of his court date on Wednesday, February 7, 2024 at 0830 hours at the Bergen County Court House.

**Incident Report**

On Saturday, May 4, 2024, at 0626 HRS, desk officer Brian Kapp #124, received a "HIT" via the Packetalk Alert ALPR cameras for a stolen vehicle that entered the township, traveling east from the DeJessa Bridge (CAD# 24-06259). The suspect vehicle was a black Ford F-350 bearing NJ registration (XP447E) and had "Petty Asphalt Paving" in large decal lettering on the door panel. The vehicle was confirmed stolen out of Woodbridge, NJ (NIC/V386036572). P.O. Jorge Fernandez, P.O. James Colacci and I canvassed the area for the suspect truck. Sergeant William Kapp, who took over operation of the communications desk, advised of a additional ALPR hit on Stuyvesant/Kingsland at 0643HRS. P.O. Colacci, who canvassing the updated area, advised that he located the suspect truck pulled curbside on Stuyvesant Avenue north of Kingsland Avenue. P.O. Colacci advised that he he observed the vehicle behind him as he turned south onto Stuyvesant Avenue from Kingsland Ave. He then observed the vehicle make a right (west) onto Kingsland Avenue.

At that time, I was traveling east on Kingsland Avenue from Riverside Avenue, in marked patrol vehicle 32-66. I observed the suspect truck conduct the right turn from Stuyvesant Avenue and onto Kingsland Avenue, traveling west. I glanced into the stolen truck before conducting a U-turn and observed two (2) males, one wearing a blue surgical mask seated in the passenger seat. I completed a U-turn at the intersection on Stuyvesant Avenue and Kingsland Avenue and traveled west to close the gap on the truck. As I approached the vehicle, I activated my lights and sirens at the intersection of Kingsland Avenue and Riverside. The suspect vehicle accelerated west on Kingsland Avenue over the DeJessa bridge and into Nutley. Due to the fact that vehicle was refusing to stop and attempting to elude the traffic stop, I asked via radio transmission for permission to initiate a pursuit on the Ford. Sgt. Kapp granted permission at 0650 HRS. The suspect vehicle turned south on River Road in Nutley, then entered NJ Route 21 South and continued to disregard my lights/sirens. P.O. Colacci, utilizing patrol vehicle 32-67, assisted in the pursuit. I advised via radio transmission of my speed, weather condition and road condition during the course of the pursuit. At 0650 HRS, the pursuit was terminated NJ Route 21 South by Sgt. Kapp. The duration of the pursuit was approximately 25 seconds and distance traveled of approximately 0.5 miles. The suspect truck was last seen continuing South on Route 21.

Upon our return to the Township, P.O. Fernandez, P.O. Colacci and I were canvassing the area of where the vehicle was last observed on Stuyvesant Avenue. P.O. Colacci advised that he believed to see someone on foot reenter the stolen truck when he turned onto Stuyvesant Ave. P.O. Colacci and I began to check all of the parked vehicles in the area for signs of tampering or forced entry. There, I observed in the driveway of 529 Stuyvesant Avenue, a white van bearing NJ (XAPX31), with the rear door ajar and shattered driver side window. I advised Sgt. Kapp of the probable burglary to a motor vehicle. Sgt. Kapp contacted on-call detective Matthew Giunta, who would be responding to the scene. (See P.O. Giunta's Supplemental Report for further details pertaining to the ongoing investigation).

It should be noted that two additional vehicles were reported burglarized while investigating the incident on 529 Stuyvesant Avenue. A white colored Ford E25 van bearing NJ registration (C58PHH) parked in the parking lot of 601 Riverside (Case #24-06264) and a white colored Ford Transit van bearing NJ registration (XLNT88) parked in front of 106 Copeland Avenue (Case #24-06265). Sgt. Kapp entered the suspect Ford into NCIC as a wanted felony vehicle to be held for latent prints (NIC/V405999290). P.O. Colacci and I

**Incident Report**

On Monday, July 1st, 2024 at approximately 0342 hours, Lyndhurst Police patrol units were advised that a stolen brown 2024 Honda CRV bearing NJ registration T88KTV entered our jurisdiction via the DeJessa Bridge from a fixed Automatic License Plate Reader. Lyndhurst PD patrol units canvassed the southern side of the township but were met with negative results.

At approximately 0505 hours, the same Honda CRV entered our jurisdiction traveling north on Ridge Road from Union Avenue. At that time, I was operating patrol vehicle 32-63 and P/O Vincent DiNicola #146 was the front seat passenger. I began to drive south on Ridge Road where I ultimately located the Honda CRV traveling north on Ridge Road at the intersection of New York Avenue. I conducted a safe U-Turn and began to follow the vehicle. I immediately notified headquarters of my location and that I had the vehicle directly in front of me. At the intersection of Ridge Road and Sixth Avenue, I activated my emergency lights attempting to conduct a motor vehicle stop on the vehicle.

As I put on my overhead emergency lights, the vehicle failed to stop and began to accelerate in speed now traveling east on Sixth Avenue. At that time, the road conditions were dry, clear of debris and traffic was extremely light due to the time of day. Lt. Paul Haggerty #103 authorized a motor vehicle pursuit to be initiated due to the confirmed stolen status of the Honda CRV. I continued to pursue the vehicle east on Sixth Avenue with my emergency lights and sirens activated. The vehicle proceeded to make a right turn onto Orient Way now traveling south. While pursuing the vehicle on Orient Way, I advised Lt. Haggerty of my current speed of 90 mph. The vehicle continued south on Orient Way before ultimately turning onto Page Avenue heading west. The vehicle turned onto Third Street heading south again but at that time, I lost visual sight of the vehicle. Due to the manner in which the vehicle was driving, I terminated the pursuit as we had entered an area of the township that consists of mostly residences.

Approximately 20 minutes later, it was discovered that the vehicle had entered the Township of Secaucus through a Backtrace inquiry. P/O Nicollette Villani #134 advised the Secaucus Police Department that the vehicle had entered their town. The Secaucus PD further advised that they had located the vehicle in the back of an apartment complex (220 Meadow Lane, Secaucus, NJ) where the driver of the vehicle fled on foot from P/O M. Garzone #171. A short foot pursuit was initiated but due to the marsh wetlands, a perimeter was set up by the Secaucus PD. Lt. Haggerty, P/O DiNiciola and I responded to 220 Meadow Lane in Secaucus in order to assist with their perimeter. Furthermore, P/O Michael Walker #132, his K9 Brody were dispatched to scene as well as P/O Michael Scalese #136 as a certified drone operator. Multiple investigative steps were taken which led us to Building C of 220 Meadow Lane but we were unable to locate the suspect. P/O Garzone described the suspect as a young Hispanic male with curly hair wearing a white shirt. The Secaucus Police Department ultimately processed the vehicle before it was returned to the registered owner in order to locate any fingerprints or DNA on it.

**Supplemental Investigation Report**

On Monday, July, 01, 2024 at approximately 0643 hours, K9 Brody and I were requested to respond to 220 Meadow Lane in Secaucus to assist with a track for a suspect that bailed out of a stolen vehicle.

Upon police arrival, I spoke with Lyndhurst Police Lt. Paul Haggerty, who advised this officer that the suspect was described as a Hispanic male with curly hair wearing a white colored shirt. Additionally, the suspect took off on foot near the parking lot of 220 Meadow Lane, where he entered and crossed a stream of water into a park area. A short time later, I took my K9 partner out of my patrol vehicle and brought him to the start point. I placed K9 Brody in a down position and gave his start command "Track." At that time, K9 Brody had is nose to the ground and started his track. It should be noted that during the course of the track, K9 Brody was tracking along wet foot print marks, on a trail which was consistent with the suspect location when officers observed the suspect running. K9 Brody ended the track at a nearby gate that led back across same stream, however in a different location. At that time, I placed K9 Brody back in my patrol vehicle where a Hudson County Sheriffs bloodhound started his track.

**Incident Report**

On Sunday, July 14, 2024 at approximately 1036 hours, Lyndhurst cars were notified of a blue motorcycle taunting drivers and driving at a high rate of speed around the area of Riverside Avenue and Stuyvesant Avenue.

The caller described the operator of the motorcycle as a male with a muscular slim build, wearing a gray tank top, blue jeans, white Jordan sneakers, and a black mask and gloves. P.O. Michael D'Alessandro #133 and I canvassed the area of Riverside Avenue and Stuyvesant Avenue when we observed the blue motorcycle. The motorcycle was observed exiting the parking lot to 820 Riverside Avenue then traveling North on Riverside Avenue. The operator of the motorcycle matched the description of the male suspect. A female passenger was also observed riding as a passenger on the motorcycle. Both occupants were not wearing helmets. P.O. D'Alessandro and I activated our overhead emergency lights on marked patrol vehicle 32-63 and attempted to conduct a motor vehicle stop of the motorcycle in the area of Riverside Avenue and Thomas Avenue. The motorcyclist failed to stop driving on the wrong side of the roadway. The motorcyclist then proceeded onto Kingsland Avenue where he was observed turning north onto Anthony Court. While on Anthony Court, the motorcyclist made a u- turn and proceeded to ride on the west sidewalk where both he and the female passenger were ordered to stop and get off the motorcycle in which they disregarded. The motorcyclist then proceeded back onto Kingsland Avenue traveling west and then North on Riverside Avenue, driving recklessly. P.O. Salvatore Wartel #138 last observed the motorcycle traveling east on Rutherford Avenue at a high rate of speed. This tour's communication's operator, P.O Brian Kapp #124, advised surrounding towns via SPEN.

Next, P.O. D'Alessandro and I responded to 149 Copeland Avenue (Mount Carmel Church) to speak with the caller. Upon our arrival, we were met with Thomas Nee and Leronica Nee. Mr. and Mrs. Nee explained they were cut off by a blue motorcycle traveling at a high rate of speed cutting in and out of traffic. Mr. Nee explained he honked his horn at the motorcyclist who proceeded to pull up next to his vehicle and place his hand on Mr. Nee's passenger side mirror. The mirror yielded no damage. Mr. Nee explained Mrs. Nee was very nervous and crying during the incident. P.O. D'Alessandro and I asked if Mrs. Nee needed any medical attention which she declined. Mr. and Mrs. Nee were notified this incident would be documented and investigated.

P.O. D'Alessandro and I then responded to 820 Riverside Avenue (Contemporary car wash) where we met with P.O. Wartel and L.t. Paul Haggerty #103. Upon our arrival, we spoke with the manager Joshua Mota Lopez who explained a female was in line to get her car bearing New Jersey Registration L36ULS washed when a male on a motorcycle picked her up. The female stated to Mr. Lopez she was going to come back with another car to have washed and pay the bill which was \$14.93 when she returned. The female left the aforementioned vehicle in line with the keys. The vehicle was ultimately washed and moved into a parking space. Mr. Lopez provided P.O. Wartel with video surveillance of the female getting onto the motorcycle with the unknown male and driving off. Lt. Haggerty observed a wallet in the center console, where vehicle identification credentials would normally be stored, and we were able to identify the female as Jailene Muniz. I issued Ms. Muniz three motor vehicle violations, 39:4-80 Disregard of officer directing traffic, 39:3-76.7 operate/ride motorcycle with no helmet and 39:4-56.6 Abandonment of vehicle on private property. Nick's Towing responded and ultimately took possession of the vehicle.

**Incident Report**

Next, P.O Kapp contacted the registered owner, Lorena Herrera who advised she was the mother of Ms. Muniz. Ms. Herrera was advised to have Ms. Muniz contact this agency.

Shortly after, Ms. Muniz responded to police headquarters. Ms Muniz explained her side of the story and explained it was a misunderstanding. During our investigation we were able to locate a picture of the suspect and positively identify him through New Jersey Division of Motor Vehicle's photo as well as a mug shot attached to his New Jersey CCH. The suspect was identified as Luciano Gonzalez-Montoya.

Lt. Haggerty made several attempts to contact Mr. Gonzalez-Montoya to surrender himself, and he replied after making contact stating that he would be consulting with his lawyer first. Mr. Gonzalez-Montoya's lawyer contacted the communications desk hours later advising that Mr. Gonzalez Montoya would be responding to police headquarters for processing. At approximately 1900 hours, Mr. Gonzalez-Montoya responded to the lobby of police headquarters. P.O D'Alessandro placed Mr. Gonzalez- Montoya into mechanical restraints which were double locked and checked for proper tightness. P.O D'Alessandro conducted a pat frisk of Mr. Gonzalez-Montoya's persons which yielded negative results for any and/or contraband. Mr. Gonzalez-Montoya was escorted into the processing room where P.O D'Alessandro conducted a secondary search of Mr. Gonzalez-Montoya's persons which yielded negative results. I secured Mr. Gonzalez-Montoya to the processing room bench and issued Mr. Gonzalez-Montoya his Miranda warnings, health questionnaire and suicide prevention forms, which he ultimately signed and acknowledged. Additionally, P.O. D'Alessandro and I obtained mug shot photographs of Mr. Gonzalez-Montoya which were uploaded to the digital media section of Lawsoft. P.O. D'Alessandro inventoried Mr. Gonzalez-Montoya 's personal property and I obtained his fingerprints utilizing the IDEMIA fingerprint machine.

Lt. Haggerty contacted the on-call prosecutor via the Bergen County Complaint Approval Hotline, who approved Mr. Gonzalez-Montoya's charges be placed on a summons. Lt. Haggerty drafted complaint summons 0232 S 2024 000219 where I charged Mr. Gonzalez-Montoya with 2C:29-2B, eluding in a motor vehicle, a second degree crime & 2C:29-2A(1), resisting arrest by flight, a fourth degree crime. Mr. Gonzalez Montoya was released at 2021 hours pending a CAP hearing on July 23, 2024 at 0830 with the Bergen County Superior Court. Prior to being released Mr. Gonzalez-Montoya was issued motor vehicle summonses 0232-E24-005628-0232-E24-005647 for the following violations: 39:3-4, 3-76.7, 39:4-85, 39:4-96, 39:4-89, 39:4-88, 39:4-81, 39:4-81(a), 39:4-144, 39:4-215, 39:4-56.4, 39:4-126, 39:4-85, 39:4-92, 39:6B-2, 39:3-33, 39:3-9A.B, 39:4-98, 39:4-80, and 39:4-100.

It should be noted that Mr. Gonzalez-Montoya responded to police headquarters on a motorcycle bearing NJ/5MVH4 which was ultimately impounded for being unregistered. This was the same motorcycle used earlier, however its license plate was bent upward, making it impossible to be viewed. The license plate was visible upon Mr. Gonzalez-Montoya's response to turn himself in, however based on the creases on the plate, its believed its common practice for him to conceal the registration. All paperwork pertaining to this case was placed into the daily work folder.

**Incident Report**

On Friday, July 26, 2024, at approximately 2154 hours, Detective Nicholas Abruscato and I were assisting the Rutherford Police Department with a motor vehicle accident investigation at the intersection of Rutherford Avenue and Park Avenue.

Upon returning to our unmarked police vehicle, I observed a blue colored sport motorcycle turn east onto Rutherford Avenue from Park Avenue (Rutherford). The motorcycle operator intentionally slowed down and proceeded to "rev" the engine of the motorcycle in effort to gain our attention.

Det. Abruscato and I then followed the motorcycle but we remained several vehicle lengths behind it while the operator continuously turned around to view if officers were following. I observed the motorcycle to have no visible registration affixed. Det. Abruscato and I proceeded east on Rutherford Avenue while the operator gestured in an antagonistic manner by waving towards the police vehicle. Det. Abruscato and I observed the motorcycle stopped at a red traffic signal at the intersection of Orient Way.

Upon approaching the motorcycle, I observed that the motorcycle had distinct after-market stunt bars attached to the side and rear bike frame. The traffic signal turned green and the operator rapidly accelerated, lifting the front wheel completely off the ground into a "wheelie" maneuver. The motorcycle was completely vertical with the stunt bar scraping the pavement causing a shower of sparks in the lane of travel and within the flow of traffic. Simultaneously, P.O. Nicollette Villani was traveling west on Rutherford Avenue in a marked patrol vehicle as the operator returned both wheels to the pavement. P.O. Villani conducted a U-turn, activated the emergency lights and siren and attempted to conduct a motor vehicle stop on the motorcycle. The operator failed to stop and eluded by fleeing Rt. 17 North at a high rate of speed. P. O. Villani immediately deactivated the emergency lights and siren in accordance with the Lyndhurst Police Department Vehicle Pursuit policy as it pertains to motorcycles. No pursuit was initiated at that time.

On Saturday, July 27, 2024, at approximately 0119 hours, P.O. Villani was monitoring SPEN and heard East Rutherford Police broadcast information regarding motorcycles driving erratically on Route 17. P.O. Villani responded to the area of the Rt.17 Loop and observed motorcycles entering the township from the Rt. 17 Loop traveling west on Rutherford Avenue. P.O. Villani reported a white colored Volkswagen hatchback bearing NJ registration L37LKN, driving in tandem with the motorcycles. P.O. Villani observed the Volkswagen operator flash the high beams at the motorcycles to signal the presence of law enforcement.

P.O. Villani conducted a motor vehicle stop on the Volkswagen at Orient Way and Third Avenue for speeding 39:4-98. P.O. Villani made contact with the operator, Robert Higgins, who claimed that he was not associated with the motorcycles. Mr. Higgins acknowledged that he signaled to the motorcycle riders claiming "a couple of my friends ride, so I didn't know if it was one of them."

On August 5, 2024, at approximately 1902 hours, P.O. Villani had completed her tour and was in the off-duty capacity when she observed a blue motorcycle stunt riding north on Ridge Road. P.O. Villani immediately recognized the motorcycle as the bike that had eluded on July 26, 2024. P.O. Villani notified police headquarters and the information was broadcasted to Lyndhurst patrol units via radio transmission. P.O. Villani was able to capture a photograph of the operator and motorcycle. The photograph depicted a white

**Incident Report**

male wearing a black colored helmet, black short sleeve shirt, blue jeans and black boots. I observed an identifying tattoo located on the left outer forearm of the rider. Additionally, the side and rear stunt bars were clearly visible in the photo, which confirmed that this was the motorcycle that had eluded on July 26, 2024.

I issued a L.E.N.S bulletin to surrounding jurisdictions in attempt to identify the suspect.

Based on the motor vehicle stop conducted by P.O. Villani I performed a Department of Motor Vehicle inquiry for vehicles registered to Mr. Higgins due to the probability that he was affiliated with the motorcycles that entered Lyndhurst on July 27, 2024. The return revealed that Mr. Higgins currently has registered a 2024 blue colored Yamaha motorcycle bearing a NJ registration 5UDD6. I then conducted a Social Media search for Mr. Higgins. I am aware that motorcyclist, specifically without visible registration, elude police and record the event for internet video content. The search returned a FaceBook account for Mr. Higgins, which displayed a profile picture of the suspect motorcycle. Further review of the pictures posted to the account showed Mr. Higgins seated on a motorcycle with the same left forearm tattoo.

On Tuesday, August 20, 2024, Det. Abruscato and I were returning to Lyndhurst from a mutual aid request from the jurisdiction of East Rutherford (reference LPD cad # 24-12649). Det. Abruscato and I were driving south on Park Avenue in Rutherford at approximately 2115 hours. At that time, I observed a blue colored motorcycle parked and unoccupied in front of Chris' Ridge Services located at 217 Park Avenue. I immediately identified the motorcycle as the bike involved in the eluding on July 26, 2024. Det. Abruscato and I positioned our unmarked police vehicle 32-72 in the parking lot of the Kearny Bank located at 252 Park Avenue. Within minutes, Mr. Higgins appeared in front of the service shop and proceeded to put his motorcycle helmet on and start the motorcycle. Mr. Higgins exited the service station and proceeded south on Park Avenue. Det. Abruscato and I followed directly behind the motorcycle and observed no visible registration affixed. Additionally, we positively identified the bike as the stunt bars were clearly visible.

Upon approaching Lyndhurst, Det. Abruscato notified police headquarters via radio transmission that we were currently behind the suspect of a previous eluding. Det. Abruscato activated the emergency lights and siren in vehicle 32-72 in attempt to conduct a motor vehicle stop for improper display 39:3-33. Mr. Higgins turned around and visibly observed our police vehicle with flashing red / blue emergency lights and audible siren sounding. Mr. Higgins continued south on Park Avenue, failing to stop. Mr. Higgins turned west onto Tontine Avenue before turning south onto Riverside Avenue. Det. Abruscato and I notified headquarters that the operator was eluding. The emergency lights and siren in vehicle 32-72 were deactivated and no pursuit was initiated at that time. Det. Abruscato and I proceeded to travel south on Riverside Avenue and observed Mr. Higgins turn into the former Lyndhurst Diner parking lot to avoid the red traffic signal at the intersection of Riverside and Kingsland Avenue. Det. Abruscato and I requested additional units to respond to 91 Bergen Avenue in effort to intercept Mr. Higgins upon his arrival home.

Det. Abruscato, P.O. Salvatore Wartel, P.O. Anthony Morreale and I arrived in the area of 91 Bergen Avenue with direct visual on his residence. Shortly thereafter, I heard the distinct noise of a motorcycle approaching Bergen Avenue. However, Mr. Higgins failed to return home after observing police units near his residence. At that time, Det. Abruscato and I made contact at the residence with Mr. Higgins' mother, Elizabeth Derogatis, who telephonically contacted him and ordered him to surrender himself. Mr. Higgins ultimately

**Incident Report**

returned home and parked the motorcycle in the driveway. I then placed Mr. Higgins under arrest by securing him in handcuffs, which I assured were double locked and checked for proper tightness. P.O. Wartel conducted a search of Mr. Higgins person for weapons / contraband, which yielded negative results. Mr. Higgins was secured in the rear compartment of patrol vehicle 32-77 for transport into police headquarters.

Upon returning to police headquarters, Mr. Higgins was escorted into the processing room via sally port. Mr. Higgins was advised of his Miranda rights and issued his health questionnaire and suicide prevention forms. P.O. Wartel captured Mr. Higgins digital mug shot photographs. These images were uploaded to the digital media portion of LawSoft. Detective Abruscato completed processing by capturing Mr. Higgins fingerprints via LiveScan terminal.

Det. Abruscato and I escorted Mr. Higgins to the Criminal Investigation Division (CID) interview room. Prior to beginning the interview, Det. Abruscato advised Mr. Higgins of his rights in accordance with Miranda. Mr. Higgins waived his rights and signed the prescribed document acknowledging same.

During the course of the interview, Mr. Higgins, confirmed that he is the sole operator of the motorcycle. When asked if he recalled evading law enforcement the night of July 26, 2024, Mr. Higgins claimed that he did not remember. I then asked if he recalled observing police activity at the intersection of Park Avenue and Rutherford Avenue, when he proceeded to rev the motorcycle engine. Mr. Higgins acknowledged that he was in fact operating the motorcycle and admitted to "blipping the throttle."

The entire interview lasted approximately 10:52 and was captured on video. The video was transferred to Axon evidence.com and secured as evidence. A copy of the signed Miranda waiver was submitted to the case file.

After receiving a video confession from Mr. Higgins, I drafted complaint summonses 0232-S-2024-000252 and 0232-S-2024-000253 charging Mr. Higgins with two (2) counts of eluding 2C:29-2B a crime of the second degree, for both the July 26, 2024 eluding and the August 20, 2024 eluding. Mr. Higgins received a low Public Safety Assessment score, which recommended the complaints be placed on summons. However, due to the charges being of the second degree, Det. Abruscato contacted the complaint approval hotline and relayed the circumstances of arrest of Assistant Prosecutor, Blaine Chiavola, who approved the issuance of complaints on summons. I provided Mr. Higgins with a copy of his complaints and his Central Judicial Processing notice to appear on September 4, 2024, at 0830 hours, at the Bergen County Superior Court. Mr. Higgins was released from police custody without incident.

I issued Mr. Higgins motor vehicle summonses:

- E24006789 for reckless driving 39:4-96
- E24006790 for improper display / unclear plates 39:3-33
- E24006791 for avoiding traffic control signal 39:4-66.2
- E24006792 for failure to pull over for emergency vehicle 39:4-92.

Investigation opened on July 26, 2024 and concluded August 20, 2024. Defendant charged on complaint

**Incident Report**

On Friday, August 16, 2024 at 1251 hours, this agency was notified via the Packetalk ALPR Alert System that a stolen motor vehicle, a blue GMC Sierra bearing NJ/XM5387, entered the township traveling West on Rutherford Avenue from Polito Avenue. It should be noted that a picture of the vehicle was captured on the ALPR camera system with a large tire and a bright yellow security jacket in the bed of the truck.

At that time, I was on patrol in marked patrol vehicle 32-66 canvassing the area of Clay Avenue and Wall Street West. It was at that time that I entered the parking lot of 1280 Wall Street West (Bergen Community College) to conducted a check of the surrounding area. Upon entering the parking lot I observed the blue GMC Sierra with the exact same tire and yellow colored jacket in the rear bed. I observed two occupants in the vehicle, the passenger later identified as Hortensia Herrera, and the driver later identified as Carlos Sierra. There was also a white and brown pit bull dog inside the vehicle.

Ms. Herrera exited the vehicle from the passenger side and proceeded to walk into the front entrance of Bergen Community College. Mr. Sierra then exited the driver side of the vehicle with paper work in his hand and began walking away from said vehicle. It was at that time that I activated my department issued body worn camera and confronted Mr. Sierra. Upon exiting my patrol vehicle, I asked Mr. Sierra to come speak with me in which he refused and continued to walk away from this officer's position. At that time, I notified police headquarters of my findings and requested additional units to my location. Once again I ordered Mr. Sierra to stop and speak with me but Mr. Sierra began to frantically sprint away from this officer. Mr. Sierra's dog subsequently jumped out the driver side window of the vehicle and began to sprint alongside Mr. Sierra.

I notified police headquarters that Mr. Sierra had initiated a foot pursuit and provided a description of what he was wearing as well as his direction of flight. I followed Mr. Sierra across the parking lot of 1280 Wall Street West towards Clay Avenue. While pursuing Mr. Sierra, I ordered him to stop multiple times but he continued to flee on foot. Mr. Sierra continued on foot across Clay Avenue and entered the parking lot of a newly constructed building located at 1200 Wall Street West. I pursued Mr. Sierra through the parking lot where I then observed him run into the marsh behind the building. I observed Mr. Sierra fall into thick deep mud upon entering the marsh and attempt to hide himself in the brush. Once I observed Mr. Sierra immobilized by the muddy area he had fallen into, I drew my department issued duty weapon and gave Mr. Sierra loud verbal commands to show his hands until all other responding units arrived. Once units arrived, I walked down into the area where Mr. Sierra was stuck and placed him in mechanical restraints advising him that he was under arrest for being in possession of a stolen motor vehicle. I then pulled Mr. Sierra out of the muddy area onto solid ground. Once on solid ground, I escorted Mr. Sierra over the marked patrol unit 32-68 and conducted a search of his person for any/all weapons/contraband which yielded negative results. Mr. Sierra was placed in the rear passenger compartment of 32-68 and transported to police headquarters by P.O. N. Coviello #144.

I then notified police headquarters of Ms. Herrera's description and advised that she had entered the entrance of Bergen County Community College just prior to the foot pursuit. Det. J. White #116 responded to the college where he then located Ms. Herrera and placed her under arrest. Ms. Herrera was briefly searched on scene before being placed in the rear passenger compartment of 32-62. P.O. V. Dorio #141 subsequently transported Ms. Herrera to police headquarters. Det. J. White #116 and Det. M. Giunta #119

**Incident Report**

remained on scene until Nick's Towing Service responded to impound the GMC Sierra. Prior to the vehicle being towed, a greenish vegetation believed to be unregulated marijuana was located in the center console and a New York State Identification Card displaying the name "Joanne Lithgow" was located in the rear seat inside of a back pack. Both item were later inventoried in the BEAST Evidence System and secured in temporary locker #2. I then transported Mr. Sierra's dog "Milo" to police headquarters and placed him in the K9 cage located in the sally port.

Once back at police headquarters, P.O. N. Coviello #144 transported Mr. Sierra into the processing room via the sally port entrance while P.O. V. Dorio #141 escorted Ms. Herrera into the large detention cell. Ms. Herrera was issued her Miranda Warning by Det. J. White #116 while seated in the large detention cell.

After being escorted into the processing room, P.O. N. Coviello #144 conducted a secondary search of Mr. Sierra which yielded negative results. P.O. N. Coviello #144 then photographed and processed Mr. Sierra after issuing his Miranda Warning prior to securing him to the detention bench. Det. Giunta #119 then enrolled Mr. Sierra into the Live Scan system and captured his fingerprints while this officer inventoried his property. After completing the processing procedure, I placed Mr. Sierra into a holding cell.

After placing Mr. Sierra into a holding cell I then escorted Ms. Herrera into the processing room where I then photographed her prior to securing her to the detention bench. Det. Giunta #119 then enrolled Ms. Herrera into the Live Scan system and captured her fingerprints while this officer inventoried her property.

**Sgt. Jasinski #110 then drafted complaint warrant 0232-W-2024-000243 charging Mr. Sierra with Receiving a Stolen Vehicle 2C:20-10.2A, Resisting Arrest by flight, and 2C:29-3(7) Hindering Apprehension. Sgt. Jasinski #110 also drafted complaint warrant 0232-W-2024-000242 charging Ms. Herrera with Receiving Stolen Motor Vehicle 2C:20-10.2A. I then uploaded all pertinent documents into InfoShare via the Bergen County Intranet.**

**Det. Sgt. Anthony Brunone #783 from the Morris County Sheriff's Office responded to the Lyndhurst Police Department and spoke privately with Ms. Herrera regarding the incident. All of Ms. Herrera's property was confiscated by Det. Sgt. A. Brunone #783 which he signed off for on Mr. Herrera's property form. Mr. Sierra and Ms. Herrera were later transported separately to the Bergen County Jail. Milo, the defendant's dog, was turned over to the custody of the Bergen County Animal Shelter.**

**Supplemental Investigation Report**

On Friday, August 16, 2024, at approximately 1315 hours, I heard P.O. Anthony Giaquinto #131 report that he located a stolen vehicle (NJ/XM538Z) in the parking lot of Bergen Community College located at 1280 Wall Street West. Shortly afterwards, P.O. Giaquinto called out with a foot pursuit that led to the marsh located near 1050 Wall Street West.

Upon my arrival to the scene, several officers were pulling the male suspect, Carlos Sierra, and his dog out of the marsh. It was also determined that the male party was the passenger in the vehicle. Detective Matthew Giunta #119 and I then responded to the parking lot of Bergen Community College to remain with the stolen GMC Sierra.

Shortly afterwards, it was broadcast over the radio that the female driver entered Bergen Community College. I responded inside of the building while Detective Giunta remained with the stolen vehicle. I spoke with Janet Pagan of the Office of Student Affairs and was advised that a female entered the building and was escorted by a security officer. I made contact with Bergen Community College Public Safety Officer Abiud Caban, who advised me that the female was inside of the Student Services Food Pantry (Room 133). I entered the room and observed the suspect, Hortensia Herrera, immediately raised her hands in the air when I entered the room. As I entered the room, it was broadcast over the radio that the female suspect had black hair with a black dress. Ms. Herrera matched that description.

I detained Ms. Herrera and placed her into handcuffs which were eventually double locked. While doing so, Ms. Herrera asked me "What exactly happened with my little brother?" Ms. Herrera also advised me that she had an acceptance letter to the school and that she was homeless. I took possession of Ms. Herrera's purse and escorted her outside of the building. Once outside of the building, Ms. Herrera and her purse were transferred to P.O. Vincent Dorio #141.

I then responded back inside of the building and spoke with Ms. Pagan. Ms. Pagan confirmed that she observed Ms. Herrera enter the building approximately five (5) minutes prior to my arrival. I then spoke with Public Safety Officer Caban and was advised that he contacted his supervisor, who was going to notify the Bergen County Sheriff's Department about the incident.

I then responded over to the vehicle and assisted Sgt. Richard Jasinski #110 and Detective Giunta in searching the stolen vehicle. Detective Giunta recovered unregulated greenish vegetation believed to be raw marijuana. I then stood by and awaited the arrival of Nick's Towing. Nick's Towing arrived on scene and took possession of the vehicle without incident.

**Incident Report**

On Saturday, August 31, 2024, at approximately 0617 hours, Desk Operator PO Matthew Dudek advised via departmental radio that a stolen black BMW bearing NJ Registration G87UEZ hit on the Automated License Plate Reader (ALPR) at the intersection of Orient Way and Valley Brook Avenue traveling north.

I began to canvass the area and observed the stolen BMW on Lafayette Avenue. I began to approach the BMW in patrol vehicle 32-62 when it took off at a high rate of speed south on Lafayette Avenue towards Valley Brook Avenue. At that time, I observed two (2) male suspects dressed in all black with black ski masks on, exit the driveway of 260 Lafayette Avenue. As the males exited the driveway and observed my patrol vehicle, they began running in the opposite direction, east on Pennsylvania Avenue towards Madison Street. I engaged in a foot pursuit of the male suspects over the fence and behind the condominium complex of 855 Valley Brook Avenue. The male suspects were last seen behind the condominium complex hiding underneath a rear balcony.

During the foot pursuit, Sergeant Richard Jasinski and PO Anthony Giaquinto were engaged in a vehicle pursuit of the stolen BMW (refer to PO Giaquinto's supplemental report for further information).

At that time, PO Robert Litterio arrived on scene as a back-up officer. In an attempt to covertly observe where the suspects were hiding, I looked through the rear gate of the complex, which is when the suspects once again began running north behind the complex. I commanded the suspects to stop running and announced my presence as a Lyndhurst police officer. I continued to engage in a foot pursuit behind the complex, where I last observed the suspects jumping over the backyard fence of 260 Lafayette Avenue, running west.

Lieutenant Richard Holicki, PO Michael Walker, PO Michael Scalese, PO Michael Carrino, PO Thomas Golda as well as officers from the North Arlington Police Department, Rutherford Police Department and Kearny Police Department arrived on scene and set up a perimeter. Officers from all agencies began to tactically clear backyards as well as backyard sheds in order to locate the suspects. K-9 Brody was deployed in order to track a scent of the suspects, which yielded negative results. PO Michael LeStrange deployed a Lyndhurst police drone overhead to locate the suspects, but was also met with negative results.

At approximately 1020 hours, Lyndhurst Police Day Shift was contacted that a resident located an orange pry bar in the backyard of 256 Lafayette Avenue. The pry bar was inventoried and entered into the BEAST Evidence Database (refer to PO Carrino's supplemental report for further information).

**Supplemental Investigation Report**

On Saturday, August 31, 2024 at 0617 hours, this agency was notified via the Automated License Plate Reader system that a stolen vehicle, a blue 2019 BMW X4 bearing NJ/G87UEZ, had entered this agency's jurisdiction traveling North on Orient Way towards Valley Brook Avenue.

At that time, Sgt. R. Jasinski #110, P.O. R. Litterio #137, and P.O. V. Dorio #141 responded to the aforementioned area to attempt to locate said vehicle. Moments later, P.O. V. Dorio #141 advised that he was in a foot pursuit with two males dressed in all black attire traveling East on Pennsylvania Avenue towards Madison Street. Sgt. R. Jasinski #110 then advised that he observed the BMW fleeing from the area at a high rate of speed traveling West on Valley Brook Avenue from Orient Way. It was at that time that I was traveling East on Valley Brook Avenue from Delafield Avenue. I then conducted a safe U-turn within the roadway and positioned my patrol vehicle on Delafield Avenue awaiting the BMW.

I then observed the BMW travel past my location heading West on Valley Book Avenue at a high rate of speed. Upon observing the vehicle, I activated my emergency lights/sirens and attempted to close the gap between said vehicle. The BMW proceeded to travel South on Stuyvesant Avenue from Valley Brook Avenue and then North on Riverside Avenue from Stuyvesant Avenue. The BMW then proceeded to travel over the DeJessa Bridge into Nutley's jurisdiction. The BMW continued South on River Road and eventually entered the exit ramp of Route 21 North near Rutgers Street in Belleville. After observing the BMW enter the exit ramp traveling South in the Northbound lanes of travel on Route 21, I terminated the pursuit.

After terminating the pursuit, I rejoined all Lyndhurst Police patrol units in the area of Pennsylvania Avenue and Lafayette Avenue to assist with locating the two male suspects.

Reference Officer Vincent Dorio #141 report for further information.

**Incident Report**

On Sunday, September 1, 2024 at approximately 0632 hours, Communications desk operator P.O. Matthew Dudek advised all Lyndhurst patrol units that the Automatic License Plate Reader (ALPR) located at the intersection of Riverside Avenue and Kingsland Avenue hit on a stolen 2022 white Isuzu NPR bearing New Jersey registration XMFH59 (NCIC #V776320488). Soon after, P.O. M. Dudek updated Lyndhurst patrol units that the stolen vehicle has hit on the ALPR located at the intersection of Riverside Avenue and Rutherford Avenue.

I then responded to the intersection of Riverside Avenue and Rutherford Avenue in patrol unit 3265 and located the stolen vehicle bearing New Jersey registration XMFH59, parked with the engine off facing east in front of 116 Rutherford Avenue. P.O. Vincent Dorio arrived on scene in patrol unit 3262. The vehicle's engine started and the operator rolled down the driver's side window. I activated my vehicle's emergency lights and instructed the driver to turn off the engine, which he did. I observed the operator, later identified as Jose R. Reyes, looking at me through his driver's side side mirror. I ordered Mr. Reyes to exit the vehicle and he responded asking why. I again ordered Mr. Reyes to exit the vehicle and he again asked why. The vehicle's rear tail lights illuminated as Mr. Reyes started the engine and began to flee the scene in the stolen vehicle.

I entered my patrol vehicle, activated my emergency lights and sirens and began pursuing the stolen vehicle being operated by Mr. Reyes. I updated police headquarters of the stolen vehicle's direction of travel, which was traveling east on Rutherford Avenue entering on to Route 3 eastbound reaching approximately 60mph with light traffic conditions. Sgt. Richard Jasinski then authorized continuation of the pursuit. The stolen vehicle continued eluding onto State Highway 1-9 south into Jersey City and then to State Highway 139. The stolen vehicle made an abrupt left turn on Coles Street in Jersey City and continued on to Route 78 west via the Newark Bay Extension. Upon passing through the toll booth for the NJ Turnpike's exit 14, multiple New Jersey State Police units took lead on the pursuit. The stolen vehicle continued on Route 78 west until it ran out of fuel near mile marker 26 causing the pursuit to end. New Jersey State Police and Lyndhurst patrol units conducted a high risk stop of the stolen vehicle during which Mr. Reyes was safely apprehended by New Jersey State Police.

A search of Mr. Reyes and the interior of the cab compartment of the stolen vehicle was conducted by me and members of the New Jersey State Police. The search revealed controlled dangerous substances believed to be heroin and crack cocaine, drug paraphernalia, burglary tools, identification documents, multiple smart phones and US currency, all of which was located in a small black bag and/or on the front passenger seat. It should be noted that my body worn camera's battery had died shortly after the apprehension as the arrest occurred at the end of my twelve-hour patrol shift.

During the apprehension, Mr. Reyes suffered ~~injuries~~.  
Due to Mr. Reyes' injuries, ~~Mr. Reyes~~ requested to be transported to a hospital. I accompanied ~~Mr. Reyes~~ Somerset. The transport was completed without incident. It should be noted that my mobile radio battery had died during the transport.

**Incident Report**

P.O. Anthony Giaquinto took custody of all evidence and property pertaining to the incident that was collected to maintain the chain of custody. P.O. A. Giaquinto remained on scene with the stolen vehicle awaiting the arrival of Nick's Towing. Upon the arrival of Nick's Towing, they took possession of the stolen vehicle and transported it back to the rear of police headquarters with P.O. A. Giaquinto following in patrol unit 3266.

Upon the arrival to police headquarters, the vehicle was unloaded in the rear lot and remained under video surveillance. P.O. A. Giaquinto turned all property and evidence over to Det. Nicholas Abruscato, who completed an inventory and logged all evidence into the BEAST Evidence System. The evidence was then secured in Temporary Evidence Locker #2. A detailed description of all evidence was documented into the BEAST portion of LawSoft. Sgt. Rejent, this agency's evidence custodian, was notified of the evidence placement by Det. Abruscato.

At approximately 1100 hours Det. Steve Batista relieved me from Somerset and stood by with Mr. Reyes. After Mr. Reyes was transported by Michael Carrino to police headquarters in patrol unit 3266 with Det. S. Batista following in an unmarked CID unit at 1452 hours. Upon their arrival to police headquarters, Det. S. Batista processed Mr. Reyes. See Det. S. Batista's supplemental report case #24-13260B. Det. N. Abruscato drafted Complaint Warrant #W20240002630232 charging Mr. Reyes with 2C:20-10.2A: Receiving Stolen Property (a crime to the third degree), 2C:29-9B: Eluding (a crime to the second degree), two counts of 2C:35-10A(1): Possession of CDS (a crime to the third degree), 2C:36-2: Drug Paraphernalia (a disorderly persons offense) and 2C:5-5A: Burglary Tools (a disorderly persons offense).

Ultimately, Det. S. Batista and P.O. M. Carrino transported Mr. Reyes and his personal property in patrol unit 3266 to the Bergen County Jail at 1651 hours. Mr. Reyes also had two outstanding warrants: Warrant #R83207 out of Roxbury, NJ for \$2,500.00 and Warrant #S2020000047 out of Fairlawn, NJ for \$750.00.

As result of the incident, Mr. Reyes committed multiple motor vehicle violations and was issued the following summonses;

E24 007103 39:4-57 Failure to Comply with Direction of Officer  
E24 007104 39:3-40.1 Operating M.V. When License Suspended or Revoked  
E24 007105 39:4-97 Careless Driving: Likely to Endanger Person or Property  
E24 007106 39:4-97 Reckless Driving  
E24 007107 39:4-144 Disregard Stop Sign Regulation or Yield Sign  
E24 007108 39:4-81(A) Failure to Obey Traffic Signal  
E24 007109 39:4-88B Traffic on Marked Lanes-Unsafe Lane Change  
E24 007110 39:4-89 Following Too Closely  
E24 007111 39:4-126(A) Failure to Signal Before Left Turn  
E24 007112 39:4-85 Improper Passing  
E24 007113 39:4-115B Turns at Controlled Intersection on Red  
E24 007114 39:4-215 Failure to Obey Signals Signs or Directions  
E24 007115 39:4-67 Obstructing Passage of Other Vehicles

**Supplemental Investigation Report**

On Monday, September 1, 2024 at 0632 hours, this agency was notified via the Automated License Plate Reader system that a stolen vehicle, a white 2022 Isuzu NPR bearing NJ/HMFH59, had entered this agency's jurisdiction traveling South on Riverside Avenue from Kingsland Avenue.

At that time, Sgt. R. Jasinski #110, P.O. R. Litterio #137, and P.O. V. Dorio #141 responded to the aforementioned area to attempt to locate said vehicle. Once in the area, P.O. R. Litterio #137 advised that he observed the vehicle parked along the curb in front of 116 Rutherford Avenue occupied by one male in the driver seat. Moments later, P.O. R. Litterio #137 advised that said vehicle began to flee from the scene traveling East on Rutherford Avenue from Riverside Avenue. At that time, I was traveling North of Stuyvesant Avenue towards Rutherford Avenue when I joined the pursuit as the second vehicle directly behind P.O. R. Litterio.

After providing all pertinent information including weather conditions, traffic conditions, and speed of travel, I attempted to close the gap on said vehicle as it continued to travel East on Rutherford Avenue towards Delafield Avenue. The suspect vehicle then entered the Route 3 entrance ramp and continued east eventually entering Jersey City via State Highway 1-9. The vehicle continued South on State Highway 1-9 to State Highway 139 Eastbound where the vehicle then entered the Newark Bay Extension. The suspect vehicle then entered Route 78 West where the New Jersey State Police joined the pursuit. Soon after joining the pursuit, two marked units from the New Jersey State Police took lead in the pursuit as it continued West on Route 78.

The suspect vehicle eventually came to a complete stop after running out of fuel in the area of mile marker 26 on Route 78 West. After the vehicle slowed to a complete stop the driver, later identified as Jose R. Reyes Jr., was quickly apprehended by New Jersey State Police (refer P.O. Robert Litterio #137 incident report).

After securing the vehicle, I stood by on scene and awaited the arrival of Nick's Towing service to collect the vehicle and transport it back to Lyndhurst Police headquarters. Due to P.O. R. Litterio #137 accompanying Mr. Reyes to the hospital, I took custody of all evidence secured at the scene and transported it back to police headquarters where it was eventually inventoried by Det. Nicholas Abruscato #115.

**Incident Report**

On Saturday, May 3, 2025 at approximately 0150 hours, North Arlington Police Department transmitted over their radio frequency that a motorcycle yellow and black in color took off at a high rate of speed from one of their officers, traveling north on Ridge Road into our jurisdiction. Due to speeds possibly exceeding 100 miles per hour, I positioned my marked patrol vehicle 32-89 in the parking lot of Wendy's, 327 Ridge Road. Moments later, I observed a yellow and black colored motorcycle traveling at a high rate of speed north on Ridge Road, it appeared to me that the operator observed my patrol vehicle, at which time he applied the brakes causing the back tire to skid, and abruptly conducted a right turn to travel east on New Jersey Avenue. At that time, I exited the parking lot and conducted a left turn onto New Jersey Avenue. I observed the motorcycle to be traveling at an extremely high rate of speed east on New Jersey Avenue. It should be noted that at no point in time did I attempt to conduct a motor vehicle stop. I advised the tours communications officer, P.O. Brian Kapp of my findings and continued my routine patrol making a right turn on Fourth Street.

A short time later, while on routine patrol, I conducted a right turn from Valley Brook Avenue to Newark Avenue traveling south. At that time, I observe a yellow and black colored motorcycle parked facing the wrong direction on Newark Avenue. I asked the tours communications officer for the registration on the motorcycle that was provided by the North Arlington Police Department. P.O. Kapp advised that the motorcycle was bearing New Jersey registration 5LRX4. At that time, I advised that I have located the motorcycle parked directly across the street from 231 Newark Avenue. Furthermore, Lt. Richard Holicki arrived as a backup unit. Lt. Holicki and I located a black motorcycle jacket with white graphics/writing and a black motorcycle helmet hidden behind a parked vehicle approximately 75 feet north from where the motorcycle was parked. Next, Lt. Holicki requested Nick's Towing to impound the motorcycle for the expired registration (4/2025). Additionally, North Arlington Police Officer Farrell responded to the scene to confirm that it was the bike they were looking for. North Arlington Police Officer Farrell also took custody of the helmet and jacket for evidence purpose. For additionally information regarding their incident refer to North Arlington Case #25-10894.

Due to the circumstances and being that I am a certified police K-9 handler with a certified tracking/trailing K-9, I deployed K-9 Brody for a trail. I placed K-9 Brody at the start location where I used the interior of the suspects helmet as a scent article. I placed K-9 Brody in a down position and gave his start command "Track" K-9 Brody trailed north on Newark Avenue to New York Avenue, west on New York Avenue to Orient Way, north on Orient Way to Orient and Sixth Avenue where the track was terminated. At that time, I returned back the the scene, where Nick's Towing had the motorcycle on the flatbed without incident. It should be noted that the motorcycle had extensive damage, the right side, the rear fairing was scratched and cracked, the rear peg was broken off, the front fairing was broken, scratched and cracked and the exhaust pipe was dented and cracked.

Prior to clearing the scene, I canvassed the area for signs of a collision. A short time later, on New Jersey Avenue near Newark Avenue, I observed a large skid mark consistent with a motorcycle tire's thickness. I followed the skid mark for approximately 30 feet to where I observed a small piece of the motorcycle, the motorcycle's missing peg and a piece of the fairing specifically yellow in color consistent with the motorcycle's color. It should be noted that those items were collected and entered into the BEAST Evidence

System and placed into temporary locker #2. Sgt. Geoffrey Rejent was notified via departmental e-mail. Additionally, there were multiple areas of yellow paint transfer on the black top as well as gouges into the block top.

Lastly, I issued the registered owner of the motorcycle multiple motor vehicles summonses via mail, in violation of 39:4-97 (Careless Driving), 39:4-96 (Reckless Driving), 39-3-4 (Unregistered Motor Vehicle), 39:4-130 (Failure to Report Accident), 39:4-129B (Leaving the Scene of Accident) and 39:4-135 (Parking Direction Side of Street).

**Incident Report**

On Sunday, July 13, 2025 at approximately 1438 hours while on patrol in marked patrol vehicle 32-65 in the area of Valley Brook Avenue and Orient Way, I observed a black colored electric "Surron Ultra Bee 2" traveling north on Orient Way. The above listed E-bike did not have visible license plates and the operator was not wearing a helmet. Due to the above listed violations, I made a right turn on to Orient Way traveling north directly behind the E-bike. I then activated my emergency lights and sirens and conducted a motor vehicle stop at the intersection of Orient Way and Sixth Avenue. P.O. Glenn Flora #135 responded on scene as the back up officer.

I approached the bike and made contact with the operator, later identified as Jamar Taylor. I advised Mr. Taylor the reason for the motor vehicle stop and requested a valid driver's license, proof of insurance and registration in which he failed to provide. Mr. Taylor stated he did not have a valid driver's license and that he is currently utilizing the E-bike for Uber deliveries. I then conducted an inquiry of Mr. Taylor's name which he provided me. An NCIC inquiry indicated that Mr. Taylor's New York drivers license is currently suspended in violation of 39:3-40. I advised Mr. Taylor of his New York license suspension and that the E-bike was being impounded due to the E-bike being unregistered, 39:3-4 and uninsured 39:6B-2. Nick's Towing was notified and P.O. Flora stood by with Mr. Taylor while I responded to my patrol vehicle to issue motor vehicle summons. Several moments later, Nick's Towing arrived on scene.

While in my patrol vehicle, P.O. Flora advised that Mr. Taylor fled the scene at a high rate of speed and was observed traveling north on Orient Way where he made a left turn to travel west on Rutherford Avenue. At that point I followed Mr. Taylor traveling west on Rutherford Avenue where he then made a left turn in the opposite lane of travel on Ridge Road. It was at that time I was advised by Sgt. Philip Reina that a pursuit was not authorized due to the fact that we had Mr. Taylor's pedigree information, the time of day, the volume of traffic, and the violation was motor vehicle only. Therefore, I deactivated my lights and siren and I observed Mr. Taylor make a right turn on Sixth Avenue traveling west where he was last scene making a left turn onto Lafayette Place traveling south. I advised all Lyndhurst Patrol units of the last known location and direction of flight of the suspect as well as a description. Mr. Taylor was last scene wearing a black colored T-shirt, pink shorts, and had a black storage container attached to the back of the E-bike.

I then responded to Lyndhurst Police headquarters where Sgt. Reina conducted an Interstate Identification Index (III) inquiry via E-Agent and was able to obtain recent arrest history for Mr. Taylor with the Watertown Police Department located at 751 Waterman Drive, Watertown, NY 13601. Sgt. Reina then contacted Watertown Police Department telephonically and spoke with Lt. James R. Spencer who was able to provide the most recent mug shot photograph of Mr. Taylor via departmental e-mail, which I confirmed was him. Sgt. Reina drafted warrant # 0232-W-2025-000188, which was telephonically approved by Judge George O. Savino at 1616 hours, charging Mr. Taylor with Eluding, 2C:29-2B, a crime of the Third Degree. Mr. Taylor was entered into NCIC as a wanted person NIC#W872416995 as an absent defendant. Sgt. Reina uploaded all the pertinent paperwork through the Bergen County Prosecutors Office InfoShare Portal. All paperwork pertaining to this case was placed in the daily work folder. I issued Mr. Taylor several motor vehicle summons that were forwarded to the Violations Bureau in order to be mailed to Mr. Taylor at a later date.

**Incident Report**

On Tuesday, October 15, 2024 at approximately 1132 hours, I was on patrol in patrol vehicle 32-63 in the area of Riverside Avenue and Stuyvesant Avenue searching for a white Mercedes sedan that was wanted out of the North Arlington Police Department (NAPD) due to possibly being involved in motor vehicle thefts. According to NAPD, the vehicle was occupied by approximately five (5) black males wearing ski masks and had a partial New Jersey registration of "V12". While on patrol, Desk Officer Michael Lestrangle advised that Special Law Enforcement Officer 1 (SLEO 1), Sebastian Osario #617, believed that he observed the white Mercedes traveling west on Page Avenue from Ridge Road.

At that time, I began to travel north on Stuyvesant Avenue when I observed a white Mercedes sedan stopped at the stop sign on Page Avenue, at the intersection with Stuyvesant, Avenue, traveling east. The white Mercedes did not display a registration on the front of the vehicle and was occupied by approximately four or five black males that appeared to be slouched down and wearing dark colored clothing. All occupants in the vehicle looked in my direction while they were stopped at the stop sign. Due to the behavior of the occupants inside of the vehicle upon my presence, I advised headquarters via radio transmission of my findings. The white Mercedes then crossed Stuyvesant Avenue and began to travel east on Page Avenue where I observed the first three characters of the license plate to be "V12".

At that time, I positioned patrol vehicle 32-63 behind the Mercedes (NJ V12SFR) and activated the emergency lights in an attempt to conduct a motor vehicle stop on the vehicle. The white Mercedes continued to travel east on Page Avenue before it abruptly made a right turn and began to travel south on Weart Avenue. Due to the Mercedes not stopping for my patrol vehicle, I activated the emergency sirens. The white Mercedes then accelerated, traveled through the stop sign at Weart Avenue and Kingsland Avenue and began to travel west on Kingsland Avenue at a high rate of speed. P.O. Lestrangle advised via radio transmission that the Mercedes was confirmed stolen out of Rahway, NJ (NIC V076459170). I then attempted to close the gap between the Mercedes and my patrol vehicle and requested for permission to pursue the vehicle from my supervisor, Sgt. William Kapp. Once I was granted permission to pursue the vehicle, I was able to position my patrol vehicle back behind the Mercedes at the intersection of Kingsland Avenue and Riverside Avenue. The Mercedes began to travel west in the eastbound lane on the DeJessa Bridge around traffic, made a sharp left turn and continued south on River Road in Nutley, NJ.

Sgt. Kapp then requested that the pursuit be terminated and I immediately deactivated my patrol vehicle's emergency lights and sirens. Desk Officer P.O. Michael Lestrangle notified the surrounding towns of the incident via the Statewide Police Emergency Network (SPEN). After terminating the pursuit, I responded to police headquarters and completed the vehicle pursuit entry in Benchmark.

Phone: 201-939-2900 Fax: 201-896-9572 Mun. Code:  
**Incident Report**

On Saturday, April 5, 2025 at approximately 0358 HRS, The Lyndhurst Police Department received a "HIT" on the PackeTalk Advanced License Plate Readers (ALPR) for a stolen motor vehicle entering the township. The suspect vehicle was a blue colored BMW bearing NJ registration (V86SMM), traveling north on Riverside Avenue from Jauncey Avenue. The vehicle was entered stolen by Bridgewater PD on April 4, 2025 (NIC# V736827304). At that time, all Lyndhurst patrol units responded to the general area and canvassed for the stolen motor vehicle. Sgt. Philip Reina, who was traveling on Riverside Avenue, advised via radio transmission that he potentially located the vehicle traveling west on Copeland Avenue approaching Riverside Avenue. Sgt. Reina confirmed the stolen motor vehicle as it approached him and advised that it was turning north on Riverside Avenue.

While I was stationary near the intersection of Kingsland Avenue and Riverside Avenue, I observed the stolen motor vehicle traveling in my direction. I pulled behind the stolen BMW, activated my emergency lights, sirens, BWC and attempted to conduct a motor vehicle stop on Kingsland Avenue near the DeJessa Bridge. The stolen BMW immediately disregarded my attempted motor vehicle stop and fled westbound over the DeJessa Bridge into Nutley, NJ. I advised police headquarters that the vehicle was fleeing, location and requested permission to initiate a motor vehicle pursuit. Lt. Holicki, the shift supervisor and desk officer, granted permission to pursuit at 0400 HRS. The suspect vehicle continued south on River Road in Nutley and swiftly entered Route 21 South. I advised police headquarters via radio transmission of my location, road conditions and speed during the course of the pursuit. Also, Lt. Holicki transmitted over SPEN-1 to surrounding jurisdictions of the motor vehicle pursuit and updated locations.

At this time, the stolen BMW continued Route 21 Southbound at a high rate of speed, weaving in and out of traffic lanes. The suspect vehicle exited onto Mill Street (Exit #6) and continued westbound approaching the intersection of Broadway in Newark, NJ. The BMW continued southbound on Broadway, disregarding several traffic signals and at points, traveling on the opposite side of the roadway. The pursuit continued as the suspect vehicle traveled west on Chester Avenue and immediately south on Lincoln Avenue. The BMW turned right onto Arlington Avenue, traveling west and then turned left onto Summer Avenue, traveling southbound. The fleeing vehicle turned right onto Bloomfield Avenue, traveling west and then quickly turned left onto Clifton Avenue, traveling south.

Due to being the sole patrol unit involved and the reckless driving of the suspect vehicle, Lt. Holicki terminated the pursuit at 0405 HRS. I acknowledged the terminated pursuit, deactivated my BWC and returned back to the township. Once back in the town, Sgt. Reina, P.O. Brian Kapp, P.O. Thomas Seickendick and P.O. Thomas Golda canvassed the area of the suspect BMW's last location for possible burglarized vehicles but were met with negative results. It should be noted that during the course pursuit, there was no damage to property or civilian vehicles. Also, due to the time of day, no pedestrian traffic was observed. Once at police headquarters, I completed the BenchMark New Jersey Attorney General Pursuit Report.

**Incident Report**

On Sunday, July 13, 2025 at approximately 1438 hours while on patrol in marked patrol vehicle 32-65 in the area of Valley Brook Avenue and Orient Way, I observed a black colored electric "Surron Ultra Bee 2" traveling north on Orient Way. The above listed E-bike did not have visible license plates and the operator was not wearing a helmet. Due to the above listed violations, I made a right turn on to Orient Way traveling north directly behind the E-bike. I then activated my emergency lights and sirens and conducted a motor vehicle stop at the intersection of Orient Way and Sixth Avenue. P.O. Glenn Flora #135 responded on scene as the back up officer.

I approached the bike and made contact with the operator, later identified as Jamar Taylor. I advised Mr. Taylor the reason for the motor vehicle stop and requested a valid driver's license, proof of insurance and registration in which he failed to provide. Mr. Taylor stated he did not have a valid driver's license and that he is currently utilizing the E-bike for Uber deliveries. I then conducted an inquiry of Mr. Taylor's name which he provided me. An NCIC inquiry indicated that Mr. Taylor's New York drivers license is currently suspended in violation of 39:3-40. I advised Mr. Taylor of his New York license suspension and that the E-bike was being impounded due to the E-bike being unregistered, 39:3-4 and uninsured 39:6B-2. Nick's Towing was notified and P.O. Flora stood by with Mr. Taylor while I responded to my patrol vehicle to issue motor vehicle summons. Several moments later, Nick's Towing arrived on scene.

While in my patrol vehicle, P.O. Flora advised that Mr. Taylor fled the scene at a high rate of speed and was observed traveling north on Orient Way where he made a left turn to travel west on Rutherford Avenue. At that point I followed Mr. Taylor traveling west on Rutherford Avenue where he then made a left turn in the opposite lane of travel on Ridge Road. It was at that time I was advised by Sgt. Philip Reina that a pursuit was not authorized due to the fact that we had Mr. Taylor's pedigree information, the time of day, the volume of traffic, and the violation was motor vehicle only. Therefore, I deactivated my lights and siren and I observed Mr. Taylor make a right turn on Sixth Avenue traveling west where he was last scene making a left turn onto Lafayette Place traveling south. I advised all Lyndhurst Patrol units of the last known location and direction of flight of the suspect as well as a description. Mr. Taylor was last scene wearing a black colored T-shirt, pink shorts, and had a black storage container attached to the back of the E-bike.

I then responded to Lyndhurst Police headquarters where Sgt. Reina conducted an Interstate Identification Index (III) inquiry via E-Agent and was able to obtain recent arrest history for Mr. Taylor with the Watertown Police Department located at 751 Waterman Drive, Watertown, NY 13601. Sgt. Reina then contacted Watertown Police Department telephonically and spoke with Lt. James R. Spencer who was able to provide the most recent mug shot photograph of Mr. Taylor via departmental e-mail, which I confirmed was him. Sgt. Reina drafted warrant # 0232-W-2025-000188, which was telephonically approved by Judge George O. Savino at 1616 hours, charging Mr. Taylor with Eluding, 2C:29-2B, a crime of the Third Degree. Mr. Taylor was entered into NCIC as a wanted person NIC#W872416995 as an absent defendant. Sgt. Reina uploaded all the pertinent paperwork through the Bergen County Prosecutors Office InfoShare Portal. All paperwork pertaining to this case was placed in the daily work folder. I issued Mr. Taylor several motor vehicle summons that were forwarded to the Violations Bureau in order to be mailed to Mr. Taylor at a later date.
