

There are parents here at the myka field and let this happen. No one could walk over to the LeChino field and get an extra can? Does your yard look like this? Some of us take pride in our yards. Could you try to do that also?

New Jersey Affidavit

I, Francis C. Hon, say under oath:

I reside in the township of Medford, NJ, and my property located at 2 Pellety Ct borders the MYAA (Medford Youth Athletic Association) field located at 120 Church Road, Medford, NJ 08055. I have been experiencing an ongoing issue with trash, recycling, and debris left unattended blowing along and into my property. This has caused an increase in pests, insects, rodents and other wildlife and is negatively impacting the enjoyment of my property. The problem has been ongoing for some time and is still continuing. To date, there has been no effort by the MYAA to correct the situation.
