This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

Governor Murphy's executive order number 175 states in part:

Public school districts that determine that they cannot provide in-person instruction pursuant to Paragraph 7 of this Order must submit documentation to the Department of Education that identifies:

a. The school building(s) or grade level(s) within the district that will provide full-time remote instruction; b. The specific health and safety standard(s) listed in Paragraph 2 of this Order that the school is unable to satisfy; c. The school's anticipated efforts to satisfy the identified health and safety standard(s); and d. A date by which the school anticipates the resumption of in-person instruction.

Such documentation must be submitted at minimum one week prior to the public school district's first day of school.

Please provide any documentation or certification that was provided to the New Jersey Department of Education explaining why the Cherry Hill Township School district (45 Ranoldo Terrace, Cherry Hill, NJ 08034) is doing full remote learning.
