RE: OPRA REQUEST 2019-31

Dear Mr. Zimmerman:

I responded to your Open Public Records Act (OPRA) request, received on February 13, 2019, on February 20, 2019 and February 26, 2019, seeking clarification of the content/subject matter of the documents you were seeking. I received your below response today:

Records requested: Since my previous request was denied by Mr. Zabarsky for being too vague, please accept this much more specific one. All obscene and vulgar text messages and emails from sreidassoc@yahoo.com and his phone number of 732-740-6514 to Borough Administrator Christine Riehl and Borough Clerk Eileen Farrell for the year period of 2018. If you would like me to clarify the specific vulgar words, please just let me know and I will give you a list. This should be a simple and easy to complete keyword search.

As a custodian is required to search files to find identifiable government records listed in the request, but not to research files to figure out what records are in response to a request, please provide a list of the specific words you would like queried.

Sincerely,

Eileen A. Farrell, RMC
Municipal Clerk
