We are getting a number of dirty water complaints. I believe the cause is a fire flow test that happened this morning at the Element 55 West Front Street. I wanted to make sure you were aware in case you get a call.

Ok

Should it be resolved now by a simple flushing of the lines?

Yes

going to put a notice on the site about the flushing

any idea what area might be affected by this?

limits/boundaries

No, Linda is on Leroy, Tom is Oakland, I was getting
