145 Crash Description/Narrative

On the above date and time Mount Holly Police responded to a motor vehicle collision in the area of Mill Street and Mt. Holly Avenue. Upon arrival officers found that the driver of V1 did not sustain any injuries he wished to report. The driver of V2 advised that he had pain in his back, but did not wish for EMS to respond and that he would have it taken care of later on his own time. Officers then noted driving documents and verbal statements.

Driver of V1- D1 advised that as he was driving there was a line of traffic in front of him and did not notice quick enough to stop in time.

Driver of V2- Driver of V2 stated that he was stopped in traffic when his vehicle was struck from the rear.

V1 sustained scratches in driver side of the front bumper. V2 sustained scratches and denting in the rear bumper and trunk hatch. The passenger side rear brake light was broken. Neither vehicles were leaking any fluid nor was there any air bag deployment from either vehicle.
