Dear Sir / Madam :

The project which you plan to undertake is hereby approved. A copy of the General Permit is attached to this letter, and specifies the conditions under which this project is to be undertaken.

The Bureau of Coastal Enforcement and Field Services must be notified at (201) 341-3977 at least 7 days prior to commencing construction.

This permit does not grant a proprietary interest in property, but only allows maintenance or construction of a structure on property that is assumed to be owned by the permittee. If it is determined at some time in the future that the property is State owned tidelands, then by acceptance of this permit the applicant hereby agrees to remove the structure or submit the necessary applications to the Division of Coastal Resources for a Tidelands Grant, Lease, or License, within 45 days of notification by the state.

This permit shall remain in full force and effect for a period of five years from the date of this letter.

Please complete the permit acceptance form and promptly return it to me at the above address. If you have any questions on this decision or permit, please contact the Bureau of Planning and Project Review at the above address or telephone (609) 292-0060.

Sincerely,
