Subject: Fence

Hi,
My name is [REDACTED] and I live at [REDACTED]. My neighbor at the end of my property has put up a fence. The fence is on my property. When I purchased this property, I was told that the piece of property at the end of my land is part of a conservation easement and that fences or any type of building was not permitted. I was required to conduct a survey and did. The survey also shows that easement and markers were put down. The fence is put up past the marker and onto the easement on my property. I would like the fence to be moved to their property and off the easement so that I do not have issues in the future. Would you be able to help?

The neighbors property faces Woodstown Drive.
